

RAISING FUNDS TO UPDATE LIGHTS IN THE CHURCH

“LIGHT UP MY LIFE”

CELEBRATING THE 825TH BIRTHDAY OF SAINT CLARE

Birthday Fundraiser Due by August 11, 2019

Dear Friends,

To prepare for the 40th anniversary of our church building in 2020, I would like to update the lighting in the church. By doing so we will enhance our prayer space and bring a necessary brightness that will help to illuminate our liturgical environment. This is needed and, honestly, long overdue.

The goal is to raise enough to cover this much needed expense; some estimates are well over 70K. Unlike a common home, church lighting requires one to have the necessary skills to make a large space come alive with light so that it is both functional and practical for liturgical needs. In addition to this, the expert can help to create an environment that will not only offer the necessary lights to see, read, and sing, but will help with our prayer experience as well.

Enclosed, are a few suggested amounts resembling the 825th B-day of Saint Clare. I understand that some can do more than others. All I ask is that we all do our fair share in making new lights in the church a reality. This will be in addition to your normal Sunday giving which is needed and appreciated. Thank you for your consideration and know that I am grateful!

Fr. Peter Glabik, Pastor
