

Building Our Faith, Preserving Our Future

Restoration Campaign Update

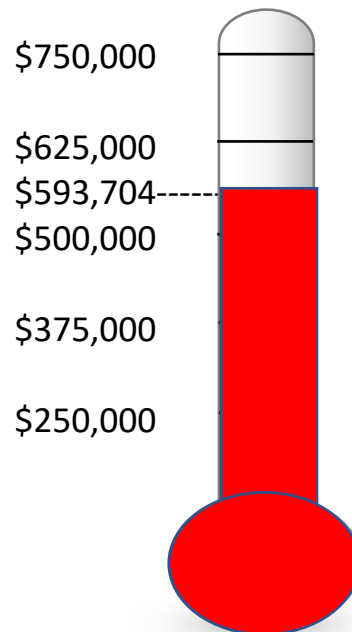

The Parish *“Building Our Faith, Preserving Our Future”* restoration campaign is in full swing. Our parishioners continue to come forth each day to make a campaign pledge to help fund the projects needed to beautify the Church and allow all parishioners the opportunity to build their relationship with God in a more spiritual atmosphere. We are blessed to announce that **\$593,704 has been pledged thus far**, which is about 79% of our fundraising goal of **\$750,000!**

A heartfelt **“thank you”** to all who have already made a campaign pledge. For those who have yet to make a pledge, please prayerfully consider participating in this important endeavor. Pledge cards are located in the back of the Church or feel free to call the Rectory to request one if needed. As a reminder, pledge payments can be made through our website or by check.
