Homework Help

Homework Help is a free service offered to students in 1-8th grades on designated Monday and Thursday afternoons from 3:15-3:50, in the school library under the supervision of teacher volunteers. Students who participate are partnered with a CTKCS Peer Helper or teacher, and complete homework assignments, study for test or read. Students should be picked up before 4:00. Anyone who is not picked up at 4:00 will go to aftercare and may be picked up there.

If you would like your student to attend Homework Help, please sign and return the permission slip below.

Dates for Homework Help will be on the school calendar and are subject to change depending on the number of volunteers. These are the dates Homework Help is currently scheduled:
