

You Are Invited to Join *CTKCS Yearbook Club*

We need responsible and creative students to help with tagging photos with student names, designing pages, and photographing events. It's our mission to ensure that every student is pictured at least three times and that our yearbook reflects all of the awesome things going on at CTKCS! If you are caught up on yearbook work, you will be allowed to work on homework. Meetings will be held on most Tuesdays after school from 3:00 until 3:50 and parents will be notified by email if a meeting will be cancelled. It will not be necessary for students to come to every meeting. Students should be picked up in the library by 4:00 at the latest. Anyone who is not picked up by 4:00 will go to aftercare and may be picked up there. Please return the completed permission slip below directly to Mrs. Coate in the library as soon as possible as there will be a limited number of members. Mrs. Coate will email members before the first meeting.

Thank you,
Mrs. Coate & Mr. Marlowe
CTKCS Yearbook Advisors
