### Notes:

**\*Senior Exam Exemption Policy:** Students with an 80 or above in BOTH the 3rd and 4th quarter AND who have five or fewer missed classes in THEIR second semester classes are exempt from taking the final exams. (To clarify, if you have more than 5 absences in first period, for example, you must take all of your 8 exams. Tardies count. The semester average will be determined by averaging 3rd and 4th quarter grades. The list of those who must take their 8 senior exams will be posted on Monday May 6, 2019

If you are not exempt from your exams, you must show up for taking exams at the slots laid out “Senior Exams” above. You will make individual arrangements with your teacher to arrange a specific time to take this exam.

**Excessive Absence Rule:** If you are excessively absent in the 2nd semester (more than 7 absences in any one period, you must show up for school on Tuesday May 7 through Friday, May 10 for a number of hours as defined by the principal).

**No pranks**—Due to legal and insurance requirements, students “pranking” the school are subject to arrest and vandalism charges. What was once allowed, we can no longer allow.
