### **Partner-in-Faith Prayer**

*Heavenly Father, we ask your blessings and protection on the people of Sacred Heart Parish. We, your children at St. Patrick's, invoke your name on their behalf. We are grateful for all you have given us and in return we are mindful of those who have less than we do. Bless us all and keep us close to you. May the example of your Son, Jesus Christ, be the strength that will make us one in you. This we ask through Jesus Christ our Lord. Amen.*

**NEXT WEEKEND**, we will celebrate World Mission Sunday. Pope Francis invites the entire church to support the mission dioceses in Africa, Asia, the Pacific Islands, and parts of Latin America and Europe, where priests, religious and lay leaders serve the world's most vulnerable communities. Please keep Pope Francis' missions in your prayers, and be generous in next week's collection for the Society for the Propagation of the Faith.

## FROM THE PASTOR'S DESK:

"What must I do to inherit eternal life?" Have we ever asked ourselves that question? It is the sincere question the young man asked of Jesus in our Gospel this weekend. The man has kept the commandments from his youth and wonders if there is anything more he should be doing. When the Lord tells him that he must sell what he has and give to the poor the man walks away sad. His attachment to wealth and things seems as though it was far more important to him than going beyond the minimum of keeping the commandments.

Jesus teaches the young man that detachment from the things of the world is necessary. Things like wealth and possessions are all passing. We leave the world in the same way we entered it—with nothing. Would we walk away saddened by the thought of having to give up that which we possess and are attached to? Each of us is called to go beyond the minimum and to do whatever is necessary to gain eternal life. Are we willing to do it?

Msgr. John T. Ferry  
Pastor

## WORDS OF INSPIRATION:

### What Must I Do?

If we experience a dying to ourselves for Jesus' sake, our old way of life will be a thing of the past and we will pass over to a new form of life and fellowship. To look back is helpful, and indeed necessary, to purify our memory, but to be fixated on the past, lingering over the memory of wrongs done and endured, and judging in merely human terms, can paralyze us and prevent us from living in the present. The word of God encourages us to draw strength from memory and to recall the good things the Lord has given us. But it also asks us to leave the past behind in order to follow Jesus today and to live a new life in him.

-Pope Francis

### Crop Walk for Hunger:

Many of the world's people walk daily for food or water. We invite you to join neighboring churches and congregations in our community and walk as a way to reduce hunger not only here in Northern Westchester but around the world. The NE Westchester walk has raised over \$400,000 over the years. Of the proceeds, 25% goes to the Interfaith Food Pantry in Mt. Kisco and the Katonah Community Center. Both of these organizations feed hundreds of hungry families in our community. The other 75% goes to relieving global and domestic hunger, including for hurricane relief.

Save the date: **Sunday, October 21, at 2pm** at Ward Pound Reservation (Registration at 1:30). Once you get to the park, you can pick up a registration form. There are forms available at the Religious Education Office and you can also go online [www.cropwalk.org](http://www.cropwalk.org). You may choose to be sponsored for the miles you walk that day or sponsor yourself.

OFFICE OF THE CARDINAL  
1011 FIRST AVENUE  
NEW YORK, NY 10022

September 5, 2018  
Feast of Saint Theresa of Calcutta

Dear friends in the Lord:

At Baptism, each of us is marked by the Lord and entrusted with a special responsibility to tell the world of His message and invitation. We are, indeed, called to serve as His missionaries.

*World Mission Sunday* affords all baptized Catholics an opportunity to celebrate their missionary vocation through prayer and sacrifice for the missionary work of the Church.

This year's *World Mission Sunday*, October 20<sup>th</sup>, marks the 110<sup>th</sup> Anniversary of our "mission independence." Through 1908, the Church in the United States was the beneficiary of the generosity of the Catholic faithful of Europe through the Society of the Propagation of the Faith. In fact, two-thirds of the very first collection of the Propagation of the Faith, in 1822, was sent to the Church in America, making it possible to build churches and schools, educate clergy and religious, provide for the good works of religious communities, and support evangelization here at home. By a 1908 papal decree, the designation "mission territory" was removed from the United States. More than one hundred years later, as we recall our own mission history, we are called upon to assist both spiritually and financially the more than 1,150 "young churches" in Asia, Africa, the Pacific Islands, and Latin America, all of which have the same needs that the United States once had.

With this in mind, please be as generous as your means will allow this *World Mission Sunday* so that the Propagation of the Faith can continue to spread the "Good News" to the growing faith communities of our day. So, too, following the call of our Holy Father, Pope Francis, let us pray that our celebration of *World Mission Sunday* will generate within us a renewed awareness of the need to proclaim the Gospel to all corners of the world.

With prayerful best wishes, I am,

Faithfully in Christ,

†Timothy Michael Cardinal Dolan  
Archbishop of New York
