### FASTING AND ABSTINENCE DURING LENT

During the season of Lent, Catholics are called to take part in certain days of fasting and abstinence. **Ash Wednesday and Good Friday are the two days of both fasting and abstinence.** In addition, all **Fridays during Lent are days of abstinence.\***

- **Fasting:** The norms on fasting are obligatory from age 18 until age 59. When fasting, a person is permitted to eat one full meal. Two smaller meals may also be taken, but not to equal a full meal.
- **Abstinence:** The norms concerning abstinence from meat are binding upon members of the Catholic Church from age 14 onwards.

*\*Exceptions to these guidelines include those who are physically and mentally ill (including chronic illnesses like diabetes) as well as pregnant and nursing mothers. The Church teaches that common sense should prevail so that a person does not further jeopardize his or her health because of the fasting requirements.*
