SAFE ENVIRONMENT

We consider our homes to be safe places for our children. But being home alone can pose risks for children. Here are a few tips to teach kids that will help keep them safe when you are not with them at home: Never answer the door if alone. Do not invite anyone in the house without the permission of a parent or babysitter. Don't tell anyone on the phone that your parents are not home. Instead tell them that your parents can't come to the phone, and take a message. For more tips, please visit www.kidsafe.com. Source: "Know the Rules . . . After-School Safety Tips for Children Who Are Home Alone," www.kidsafe.com.

Stewardship Thought: "For everything is from you, and we only give you what we already have received from you." (1 Chr. 29:14-16)
