Stewardship Reflection: Stewardship is not simply making donations or taking care of the building and grounds. It is a spirituality—hence a way of life—made of four parts: Receiving the gifts of God with gratitude; cultivating them responsibly; sharing them lovingly in justice with others; and, standing before the Lord in a spirit of accountability. It is up to you to determine how you will live out this stewardship way of life. You will not be alone, however. Millions of fellow Catholics are traveling together with you.
