We Celebrate in May

The month of May offers us much to celebrate. We honor Mary in special ways, often through May Crowning festivities in recognition of her role as Queen of All Saints. We'll witness the canonizations of two of the children Our Lady of Fatima appeared to: Blessed Jacinta Marto and Blessed Francisco Marto. Additionally, the Easter Season continues our 50-day celebration of the Resurrection.

The month of May is traditionally dedicated to the Blessed Virgin Mary. May is a month of growth, when nature is reborn. This month normally belongs to the Easter season, between Easter and Pentecost. Many Catholics may be aware that May is consecrated to Mary, but it may be unclear why this month was selected for this particular distinction. Other months have more important feasts dedicated to Our Lady, such as August (Feast of the Assumption) and December (Feast of the Immaculate Conception). What is it about this month that makes it a fitting time to reflect on the Virgin Mary's role in salvation and to honor her as the Mother of God?

The tradition of dedicating the month of May to Our Lady is centuries old, dating back at least 700 years. Blessed Pope Paul VI wrote an encyclical on the month of May, focusing on the Virgin Mary. He wrote that the piety of the faithful has long dedicated the month of May to the Mother of God. He stated in his encyclical, Mense Maio.

Faith and Tradition

TREASURES FROM OUR TRADITION

Some monks and nuns trace their community origins back a thousand years or so, before it became customary to reserve the Blessed Sacrament in tabernacles. In their rules of life, which evolved from the lifestyle and prayer of their predecessors, the core experience of Christ's presence is at the altar itself, and in the symbol of assembly for prayer. To this day, when the monks or nuns file into their church in procession, they march two by two, and then bow profoundly to the altar before turning and bowing in reverence toward the brother or sister at their side. It is probably more difficult, in practice, to revere the presence of Christ in a person who irks you by taking the car keys, shirking a work duty, or burning the toast!

We can trace in these religious orders' enduring customs the ancient appreciation for the altar as the center of the church building, and of the community of the faithful as the Body of Christ. Usually, a monastery today will reserve the Blessed Sacrament in some quiet corner of the monastic church, in a fairly small space, more suitable for private prayer than for the gathering of the whole community. In a cloister, the architecture may allow the public limited access to this space. Liturgical law tells us, in both monasteries and parish churches, that there is no need for more than a few hosts in the place of reservation, just enough for viaticum, the "food for the journey" that is the final sacramental celebration for a dying Christian.

ON THE ROAD

One central metaphor employed to describe the Christian life is a journey. In today's second reading, Peter addresses the early Christian community: "**Conduct yourselves with reverence during the time of your sojourning**" (1 Peter 1:17). When we think of a journey, we normally think of some kind of movement from point A to point B. The Christian journey, begun in the waters of baptism (point A) has as its ultimate destination eternal life with God in heaven (point B). Unfortunately we find ourselves on all kinds of detours along the way. Because of sin, we make foolish turns and sometimes seem unable to detect the presence of the Lord. Today's story of the two disciples on their way to Emmaus illustrates for us the fact that, even when we are dejected or on one of our many detours, the Lord is there, walking right beside us.
