Regulations for fasting and abstinence in the Roman Catholic Church

1) Abstinence is required on all the Fridays of Lent, and on Ash Wednesday and Good Friday. Abstinence means that no meat may be consumed on these days. Catholics 14 years and older are bound to abstain from meat. The aged and infirm, as well as, pregnant and nursing mothers are excused.

2) Fasting is required on Ash Wednesday and Good Friday. Fasting means having only one full meal to maintain one's strength. Two smaller, meatless and penitential meals are permitted according to one's needs, but they should not together equal the one full meal. Eating solid foods between meals is not permitted. Catholics from age 18 through age 59 are bound to fast. Again, the aged and infirm, as well as, pregnant and nursing mothers are excused.

3) Friday Abstinence Outside of Lent. It should be noted that Fridays throughout the year are designated days of penance. The Code of Canon Law states that Friday is a day of abstinence from meat throughout the year. The American Bishops have allowed us to choose a different form of penance rather than abstaining from meat, but there must be some form of penance, for this is the day we commemorate Christ's suffering and death. The bishops stress that "among the works of voluntary self-denial and personal penance...we give first place to abstinence from flesh meat" (Pastoral Statement on Fasting and Abstinence).
