MISSION STATEMENT

Celebrating parish identity as we work to become one family of God and strive to serve in the name of Christ.

SOCIAL JUSTICE

The Catholic Church has a history of social teaching that goes back centuries and provides a compelling challenge for living responsibly and building a just society. Modern Catholic Social Teaching, rooted in Scripture and articulated through a tradition of written documents, has evolved over time in response to the challenges of the day.

The St. Joseph the Worker Cluster, Social Justice Committee is initiating a series of bulletin items to help educate all of us to the seven Social Teachings of the Catholic Church.

Life and Dignity of the Human Person

The Catholic Church proclaims that human life is sacred and that the dignity of the human person is the foundation of a moral vision for society. This belief is the foundation of all the principles of our social teaching. We believe that every person is precious, that people are more important than things, and that the measure of every institution is whether it threatens or enhances the life and dignity of the human person.

Catholic Charities USA

All bulletin information needs to be in the church offices by 12:00 p.m. on Tuesdays. Thank You !

Stewardship Quote

The readings today speak of the end of the world and the coming of the kingdom. The bishops' pastoral on stewardship says clearly that "that 'life to come' is in continuity with this present life through the human goods, the worthy human purposes, which people foster now." May our good stewardship help us to be numbered among the chosen on the last day!

Pope's Intentions for November
