### MISSION STATEMENT

Celebrating parish identity as we work to become one family of God and strive to serve in the name of Christ.

## Catholic Social Teachings

### Rights & Responsibilities

*The Catholic tradition teaches that human dignity can be protected and a healthy community can be achieved only if human rights are protected and responsibilities are met. Therefore, every person has a fundamental right to life and a right to those things required for human decency. Corresponding to these rights are duties and responsibilities—to one another, to our families, and to the larger society.*
