THIRD WEEK OF LENT

Catholic Social Teaching #5

The Dignity of Work and the Rights of Workers

The economy must serve people, not the other way around. Work is more than a way to make a living; it is a form of continuing participation in God's creation. If the dignity of work is to be protected, then the basic rights of workers must be respected:

- *The right to productive work,*
- *To decent and fair wages,*
- *To the organization and joining of unions,*
 - *To private property,*
 - *And to economic initiative*
