Letter from Administration

Welcome back students and parents! We hope everyone had a restful summer. We are excited and blessed to be back with our St. Augustine Families!

We have fantastic teachers, who love and motivate our children. St. Augustine teachers take pride in what they do, and we assure you they are dedicated individuals that want the best education for our students.

We are committed to ensuring that your child is engaged and has a joyful learning experience. The teachers, and I are going to work closely together, so that our students can learn their faith and love their faith. We will work together and help our students be successful individuals.

We will aim for our students to become well rounded individuals by providing them with many opportunities to excel in academics, religion, arts, clubs, and athletics.

We will hold the highest academic standards and challenge our students with a curriculum filled with rigor and relevance.

We wish you many blessings this school year!

Thank you for your support, patience, and cooperation.

Sincerely in Christ,

Mrs. Barbra Zurita, Principal
