### Letter from Administration

It's hard to believe that the end of the year is already here!

We want to take this time to thank you for an amazing school year! We couldn't have done it without your support!

It has been a successful school year for our students and school with many accolades in our spiritual, academic, and athletic endeavors. It has been a pleasure to work and serve all our parents and students. It was a blessing to spend Masses, retreats, and prayer with our students and families.

We would like to thank everyone who helped out during any events during our school year. If it was sending a \$1 for jean day, sending any food donations, or other donation items please know your contribution helped the needy in our community. Thank you to all the parents who took the time to volunteer in any way at our school! We couldn't have done it without your help!

Our teachers, students, and parents have worked so hard this year and I truly hope you all can find physical and mental rest along with your spiritual rest in the Lord. We will continue to educate both faith and reason next year and God Bless!

Thank you for your support, patience, and cooperation.

Sincerely in Christ,

Mrs. Barbra Zurita, Principal
