## Daniella Straathof Update

I'm Daniella Straathof, and I grew up in the St. Colman's Parish. While in college, I saw a desperate need for evangelization to my fellow students, whether Catholics who had fallen away or students who had never been introduced Christ or His Church. After graduating in 2016, I became a FOCUS (Fellowship of Catholic University Students) missionary. FOCUS missionaries aim to fulfill the Great Commission (Matt 28:18-20) by introducing students to the person of Jesus Christ and to set them on lifelong mission. My goal is to encounter students where they are at, help them to grow in their faith, and to inspire them to invest in others as well. I served at Ave Maria University where I lead bible studies, retreats, invested in students one-on-one and lead events for the leaders on campus. Next year I will serve at Florida Atlantic University. I need all the prayers and support I can get. Feel free to give me a call or text 740-463-6315 or [daniella.straathof@focus.org](mailto:daniella.straathof@focus.org). Thank you!

**Holy Land Carvers** will be here August 12 and 13. This group, from the Holy Land, has come to the US representing the Christian wood carvers of Bethlehem that rely on the tourism to support their families. Their mission is to bring and sell the Olive Wood Carvings to the Catholic churches in the US to help the Christian families in the Holy Land. Please look over these carvings and help support the self-help project that enables them to keep the Christians in the Holy Land. You'll find Nativity scenes, crucifixes, rosaries, pictures of the Last Supper and several other religious items.

**What's Going on Beside the Garage?** You may have noticed things look different by the garage? Since we exceeded our parish BAA goal, work has begun on the new addition. Many thanks to Bob Mowrey for taking on this project. Over the next few weeks, you will see the progress on this project as well as St. Colman parishioners assisting Bob and his crew! Thank YOU for making this happen and exceeding our BAA goal!
