The 2017 Diocesan Collection for Black and Indian Mission will be held next weekend on February 18th and 19th. With your contribution to the BIMC, you'll help support good teachers to help African American and Native American kids learn. In 2016, your generous donations reached over 4,000 students in more than 250 schools and parishes across the United States. We need men and women living the consecrated life to give witness to a radical Christian life. We need priests in order to have the Eucharist! Supporting the BIMC enables us to help encourage vocations to the priesthood and religious life in diocesan communities across the country.

Lutheran Social Services Housing: "My people will live in peaceful dwelling places, in secure homes and in undisturbed places of rest" Isiah 32:18. Every day we see stories of HOPE for families who have obtained a place to live through LSS housing. Stories of stability for their family, stories of safe homes for their children, stories of affordable rents to fit almost every individual's budget from someone receiving only social security to someone working in a professional career, as well as stories of how our property managers treat all individuals with kindness and compassion. Once such example of HOPE is being built right in our community in Beulah. New Energy Apartments will be completed by March 1, 2017. Please call John Phillips at 701-793-1999 or Leasing staff at 701-271-3207 for a free tour or an application to rent. Maybe one apartment will be just right for you or someone you know!

The history of the holiday

St. Valentine's Day is a religious holiday.Do you know,who was St. Valentine? One of the legend says,he was a Christian priest, who had been thrown in prison for his teaching. On February,14 Valentine was beheaded,not only because he performed a miracle-he cured the jailer's daughter from her blindness the night before he was executed-but he wrote a letter to the girl signing it «From your Valentine».
