May is Rosary Guild month and donations to the Mystical-Rosary Guild are greatly appreciated. St. Joseph's Rosary Guild is a group of dedicated members who make rosaries for both state-wide and overseas missions using mission beads and cord. New members are always welcome. Special contribution envelopes are included in the boxed set you receive in the mail. If you do not receive contribution envelopes, please state "rosary guild" on your donation. For more information, please contact Sue Harr Wolf (873-2890).

The 61st Annual God Share: This year's theme is "United in Gratitude For God's Blessings". Each year the God's Share appeal provides resources for all of the educational, formation and pastoral programs and services offered to every parish and parishioner. This year we are again blessed with a large number of seminarians. These numbers certainly provide hope for our aging priests population, but seminarian education is not free. Because of the increased costs related to educating our seminarians, we ask that you consider a generous gift to this year's God's Share Appeal. By sharing a financial gift, you can touch the lives of thousands of people in western North Dakota through our programs that teach, heal, support, nurture and feed. **St. Joseph goal** for this year's appeal is **\$41, 547 with a goal of 100%** parishioner participation. **St. Martin goal** for this year's appeal is **\$28,837 with a goal of 100%** parishioner participation. **Envelopes for this year's appeal are attached to this week's bulletin.** May God bless you for your support of our parish and our diocese!

Did You Know? ~ Learn to "Stop" Inappropriate Activity Before It Happens Child safety tip: Teach your child to respect the word "stop!" Teach your preschooler that "stop" means "stop," and that your child has the right to stop people from touching his or her body. Obviously, exceptions will have to be made for doctors and parents, but even parents must listen when a child doesn't want to be tickled or hugged anymore. Reinforcing this excellent lesson gives your child the power to recognize—and to stop—"bad touching" by others if it should happen. Source: "Know the Rules . . . After-School Safety Tips for Children Who Are Home Alone," www.kidsafe.com.
