## THE SACRAMENTS OF HEALING

1420 Through the sacraments of Christian initiation, man receives the new life of Christ. Now we carry this life “in earthen vessels,” and it remains “hidden with Christ in God.” We are still in our “earthly tent,” subject to suffering, illness, and death. This new life as a child of God can be weakened and even lost by sin.

1421 The Lord Jesus Christ, physician of our souls and bodies, who forgave the sins of the paralytic and restored him to bodily health, has willed that his Church continue, in the power of the Holy Spirit, his work of healing and salvation, even among her own members. This is the purpose of the two sacraments of healing: the sacrament of Penance and the sacrament of Anointing of the Sick.

### The Sacrament of Penance and Reconciliation

1422 “Those who approach the sacrament of Penance obtain pardon from God’s mercy for the offense committed against him, and are, at the same time, reconciled with the Church which they have wounded by their sins and which by charity, by example, and by prayer labors for their conversion.”

### What is the Sacrament Called?

1423 It is called the *sacrament of conversion* because it makes sacramentally present Jesus’ call to conversion, the first step in returning to the Father from whom one has strayed by sin.

## OUR PARISH PICNIC

Saturday	Acts of Apostles 11:21b-26; 13:1-3; Matthew 5:33-37
Sunday	2 Samuel 12:7-10, 13; Galatians 2:16, 19-21; Luke 7:36-8:3

Recently, an article entitled “**When Zika Hits, a Push for Contraception and Abortion?**” ran in the Associated Press.

This article digs deep into what the writers clearly believe is the answer for any pregnant woman exposed to the virus: abortion. The article opines about American women who are pregnant and who were possibly exposed to the virus, saying, “Fearful they might bear children who suffer from brain-damaging birth defects caused by Zika, more women are expected to look for ways to prevent or end pregnancies.”...Killing babies before birth is not health care unless the sales group for the act is Planned Parenthood...This is an example of the American Eugenics Society’s opinion. Instead of promoting funding for clinical research trials on an effective ethical vaccine to protect women, men, and children from this tragic virus. Planned Parenthood prefers to use the moment for its own abortion-related purposes...In the tradition of Margaret Sanger, Planned Parenthood promotes elimination of the children of the poor using the excuse that maybe a preborn baby could be affected by the Zika virus and develop a problem. Or, we could say, the preborn baby is better off dead!

### From Sts. Joachim and Ann Care Service

Dear Friends,

Your caring response to the needs of others is greatly appreciated. We would like to thank you for your recent contribution of \$1,500.

Sts. Joachim and Ann Care Service is the largest comprehensive social support agency in our three-county area of St. Charles, Lincoln and Warren, addressing homeless prevention issues with case management, advocacy and integrated services. Our goal is to help break the cycle of poverty and impact systemic change in the lives of those we serve by providing hope and the necessary foundation for getting them back on the path to sustainability. The Care Service works with a purpose to protect families, especially children, the elderly and disabled, regardless of race, age, gender or religion, from the despair, hopelessness and social injustice caused by poverty.

On behalf of Sts. Joachim and Ann Care Service, we want to wish God’s blessing upon you and your families. Together we are making a difference!

In Christ, Miriam Mahan Executive Director

### STEWARDSHIP AWARENESS

“*And when the Lord saw her, he had compassion on her and said to her, ‘Do not weep.’*” Luke 7:13

This verse is a great reminder that the Stewardship lifestyle is one of service, putting God first and to “love one another.” Unfortunately today, many people have “passion” for activities they enjoy - their job and off-work activities. Many times our “passion” to excel is at the expense of someone else. Maybe we need to focus on a little less passion for our individual concerns and a lot more compassion for others.
