## THE SACRAMENTS OF HEALING

- 1485 “On the evening of that day, the first day of the week,” Jesus showed himself to his apostles. “He breathed on them, and said to them: ‘Receive the Holy Spirit. If you forgive the sins of any, they are forgiven; if you retain the sins of any, they are retained’”
- 1486 The forgiveness of sins committed after Baptism is conferred by a particular sacrament called the sacrament of conversion, confession, penance, or reconciliation.
- 1487 The sinner wounds God’s honor and love, his own human dignity as a man called to be a son of God, and the spiritual well-being of the Church, of which each Christian ought to be a living stone.
- 1488 To the eyes of faith no evil is graver than sin and nothing has worse consequences for sinners themselves, for the Church, and for the whole world.
- 1489 To return to communion with God after having lost it through sin is a process born of the grace of God who is rich in mercy and solicitous for the salvation of men. One must ask for this precious gift for oneself and for others.
- 1490 The movement of return to God, called conversion and repentance, entails sorrow for and abhorrence of sins committed, and the firm purpose of sinning no more in the future. Conversion touches the past and the future and is nourished by hope in God’s mercy.

## Did You Know?

“The St. Louis Fire Department has settled a lawsuit brought by Operation Rescue in 2013, which sought to obtain public information related to documented medical emergencies at the Planned Parenthood of Greater St. Louis abortion facility. Instead of the 31 expected emergencies that required ambulance transport, they provided Operation Rescue with a list of 58 medical emergencies, categorized by ‘type of problem and priority level that took place at the abortion facility between Jan. 1, 2009 and April 16, 2016.

...”We consider this settlement a victory since we were able to obtain a true listing of medical problems that sent women to the hospital from Planned Parenthood. Since Planned Parenthood receives public tax funding, the public has a right to know that women are being hurt there,” said Operation Rescue President Troy Newman. “The information provided to us shows that the situation is far worse than we originally suspected, and proves that the St. Louis Planned Parenthood facility is too dangerous to operate. It should be shut down immediately.” Of the 58 calls for emergency assistance placed by Planned Parenthood beginning in 2009, there were 50 Urgent Priority 1 emergencies. This would include life-threatening conditions.”

### STEWARDSHIP AWARENESS

*“When I entered your house, you did not give me water for my feet...”* Luke 7:44

Today’s Gospel calls us to consider how we serve God. Do we consume like the Pharisee who simply reclines at the table and expects to be served? Or, do we contribute like the woman who kneels before Jesus and washes His feet? Every day we must make a choice. Take or give? Consume or contribute? Recline or serve?
