CATECHESIS OF THE GOOD SHEPHERD

We are excited to announce a
new program beginning this fall
for children ages 3-6. **Catech-
esis of the Good Shepherd**

focuses on the young child's relationship with God
through Jesus. It offers a sacred place, called
the atrium, where young children can cultivate
and explore their religious life. God and the child
already have a unique relationship with one
another,

particularly before the age of six. **Catechesis of
the Good Shepherd** nurtures and affirms this
relationship using the proclamation of the Word,
helping the child to draw nearer to God. The child
is allowed to experience the amazing gift of won-
der and awe, as well as the joy of discovering the
great mysteries of our

Catholic faith, through their work and prayer.
Young children have a tremendous capacity for
the religious life and we look forward to journey-
ing with them.

We are in the process of scheduling classes and
welcome input for what times will work best for
families.
