How can WE help the Kitchen?

"The scandal of the millions of people who suffer from hunger should not paralyze us, but rather move us to act — everyone, individuals, families, communities, institutions, governments — to eliminate this injustice. Jesus' Gospel shows us the way: trusting in the Father's providence and sharing our daily bread without wasting it." Pope Francis.

Greetings! I am Janis Kaelin, newly elected Board Member at Franciscan Kitchen. I was humbled to be nominated. I believe we are called to help eliminate the injustice Pope Francis spoke about. I have seen the Kitchen expand into the new space. I have seen the numbers of hungry guests continue to soar upward. I want to impart my love and passion for feeding the spirit and body of each guest, to each of the volunteers that come to serve. I have worked with some of the most amazing people at the Kitchen. They come because of the Spirit that binds us. I know it fills my soul, and every volunteer I talk to says something similar. If you have never experienced the Kitchen as a volunteer, please accept my invitation to join us on a fourth Saturday of the month, or the Kitchen serves meals 280 days a year, (Monday through Friday & the 3rd and 4th Saturday). Come be a part of this wondrous Spirit, as we share our Daily Bread.

We have served over 135,000 meals in the past twelve months. We have daily operating costs that run a staggering \$21,500, monthly! This is an opportunity to be a part of the Kitchen, as well. We are not all called to volunteer, but perhaps we are called to be a part of the financial support of this wondrous work. A remembrance gift, a birthday present, pay the electric bill for a month. Whatever you are able to do, whatever you are called to give, is most welcome.

"You pray for the hungry. Then you feed them. This is how prayer works."

Pope Francis

Whatever you can contribute, do it from the heart! I hope you answer the call to be part of the future of Franciscan Kitchen. My prayer is that this good will continue, and that hand in hand we can work to eliminate this injustice. God Bless You, Janis
