Sustaining Society***

Several years ago, the idea of Band of Brothers was developed at Subiaco. Those participating in this giving program are doing so on a monthly, semi-annual or annual basis, with their commitment being one of sustainability to the yearly operating budget for Subiaco Academy.

Subiaco Academy is a Catholic, college preparatory boarding and day school in the Benedictine tradition for young men in grades 7-12.

We see Christ in each student, guiding him in his response to God, aiding the development of his known and hidden gifts, and fostering a search for truth and an appreciation of the arts.

Traditions + Excellence

Those rich Subiaco traditions! Long may they live in the hearts and minds of our Alumni and may they continue to grow in the young men entrusted to us today and in the future. Education is not just school anymore. It's developing the whole person—body, mind and spirit. Subiaco Academy has an extensive history of success in education, and with your help in this year's Annual Fund, we can continue to extend that success story well into the future. **Not for us, but for the leaders of tomorrow!**

Your support of the 2018 Annual Fund will allow us to upgrade and improve one of the most rapidly changing

components of today's education system—that is **TECHNOLOGY**. The amount of funds it takes to stay on top of this field is staggering but so very necessary and important to be competitive and remain interesting to those seeking an education in a boarding school. Other classroom and athletic programs at Subiaco Academy will also benefit from the generosity of those who participate in the Annual Fund.

The members of Subiaco Academy's faculty are highly skilled in their respective fields. Each individual possesses the ability to draw the strengths of the students to the surface and teach them how to use those talents for the betterment of themselves and others.

Gifts to the Annual Fund provide the opportunity to make certain that our teachers are compensated fairly for the education and mentoring they provide, thus allowing for better retention of staff **AND** students.

May the light of our Heavenly Father illuminate Subiaco Academy and all who study and work here, and may that holy light shine on all who support the 2018 Annual Fund, both in prayer and in treasure.
