Forming Saints and Educating Scholars

“FOR HIS GLORY, WE WILL GO!”

Our Mission: Sacred Heart Catholic school community provides a Catholic foundation which cultivates disciples of Jesus and fosters academic excellence for all God’s children.

Mr. Barlag’s Blog

Thank you, parents and school families, for helping us to promote “Saints and Scholars & \$25,000.” The response to our letter asking for help with this major raffle has been tremendous. There is still much work to be done and just a little time to accomplish our goal, but I believe that with everyone’s participation we will be successful. As I have said often, Sacred Heart Catholic is the best school to be a student, parent, teacher, and principal!

Sacred Heart Catholic is a very good school lead by our outstanding faculty and staff. Personally, I am blessed to have a passionate leadership team comprising of Mrs. Bremmer, Mrs. Walter, and Mrs. Keith advising and assisting me with the everyday administration of the school. The commitment to excellent instruction by our teaching staff is evident each day. Our students’ formative and summative tests scores validate their academic growth. Our students continue to be formed in the faith as they come to know, love and serve God. Parents, I know that you are quite aware and are grateful for our teachers and the care that they give your children because you have told me so.

Oftentimes though, it is the people behind the scenes that I fail to recognize as an integral part of our success.

In our school office, Mrs. Wilson is our main receptionist and she is responsible for student records. Mrs. Meachum is the point person for our Title funding with Greater Clark, purchasing, and staff liaison to the parish business office and FACTS Management. Mrs. Satterly is the school communications coordinator. For a small school, our school office personnel are constantly meeting the needs of our school community outside of their job requirements.

As we strive to continue to provide nutritious and affordable lunch options, I am grateful to Mrs. Simpson, our cafeteria manager and her staff, Miss Bowen and Mrs. Do.

We could not do what we do if it were not for our classroom aides and teaching assistants.

Mrs. Yvonne Smith, teaching assistant in Mrs. Schuman’s junior kindergarten class.

Mrs. Lynne Crofford, teaching assistant with Mrs. Lilly’s morning junior kindergarten class.

Mrs. Kourtney Campbell and Mrs. Michelle Harbeson, teaching assistants in Mrs. Emly’s beginners’ class.

Mrs. Alicia Schembari, assists Miss Christi Evanczyk with our two-years old.

Mr. Bruce Wolfschlag works with students in kindergarten, first and second grades.

Mrs. Patty Stilwell is assisting in third grade.

Academic resource and intervention is an important area for our students who have learning differences. Mrs. Walter coordinates Resource and is in the classrooms in addition to working with individual students in the resource room. Mrs. Taylor, our school librarian, works with middle school math students and is also in the primary classrooms. During the afternoon, Mrs. Schumann shifts her hat from preschool teacher to intervention specialist in the primary classrooms. We are able to partner through auxiliary services with St. Elizabeth Catholic Charities and Greater Clark so that we have our school counselor, Mrs. Michelle Frossard with us three days a week, Mrs. Candy Davis, provides speech services two mornings per week, and Mrs. Darlene Valvano, special education two a week.

As I have said many times, in my forty years in Catholic education, I have not been associated with a more committed and passionate faculty and staff. We are so blessed to have a Catholic parish school minister to the Catholic Community of Jeffersonville. And I appreciate the support and sacrifices that our parents make so that their children can benefit from all that Sacred Heart Catholic offers.

Enjoy the weekend with your family.
