Forming Saints and Scholars

Our Mission: Sacred Heart Catholic school community provides a Catholic foundation which cultivates disciples of Jesus and fosters academic excellence for all God's children.

The Principal's Blog

It is hard to believe that time has passed so quickly. We are just two weeks away from the end of the 3rd quarter! This may be a good weekend to remind your children of the routines that you have in place in your home for them to be successful in school.

Last Friday during our teacher in-service, we met in our professional learning communities. The teachers examined their instructional practices which foster and promote student academic growth. As a staff, we are reviewing our plans for a successful 4th quarter. With your help, I know that our students will be on time for school, complete all their assignments, and cooperate fully in their own engagement as they grow in full stature in Christ.

Parents, I have a friendly reminder for you too; please follow the directions for morning drop off and arrival. I appreciate drivers who are patient in the drop-off line and who do not pull out of the line to pass around the car that is in front of them. The church parking lot is reserved for parents of our youngest pre-school children who may take a little extra time getting out of cars. When leaving, watch out for children crossing the church lot and exit onto 8th street. This helps to ensure the safety of our children. Thank you for your cooperation!

Congratulations to all our students and their coaches Mrs. Day, Mrs. Emly, and Mrs. Taylor who completed in the Deanery Academic Olympics. This year we entered an eighth grade, seventh, and six grade team. For our seventh and six graders this was their first experience in this competition. Our six grade team made it to the final only to come up one point short in overtime! Cardinals, you made us proud!

We are very excited to welcome Mrs. Shannon Wright to our team! Mrs. Wright is our long-term substitute in preschool taking the place of Mrs. Schumann who is on maternity leave. Shannon comes to us with fourteen years of experience teaching in elementary classrooms and was the previous co-owner of Growing Minds Preschool from 2003 until 2015. She has a master's degree in Elementary Education from IU Southeast.

We also want to congratulate the Schumann family and welcome little Nora Lucille, who was born at 11:30 am, weighing 7lbs.,14 ounces this past Wednesday. Baby and mom are healthy and at home resting. Please keep all young moms in your prayers!

Enjoy a peaceful weekend with your family.
