Forming Saints and Scholars

Our Mission: Sacred Heart Catholic school community provides a Catholic foundation which cultivates disciples of Jesus and fosters academic excellence for all God's children.

The Principal's Blog

Welcome Back! I am happy to report that everyone is back to their positive routines and we are back to making our last quarter for this year a success. In particular, Mrs. Stith's fifth graders had a good week as they exhibited their executive business skills at Biz Town on Tuesday. As future scientists and engineers, they followed up their business experience on Thursday by integrating religion and the arts into technology at Providence High School's STREAM (science-technology-religion-engineering- art-math) Day. Also, on Thursday, our school was brought back into the spirit of Lent with repentance and forgiveness by a beautiful prayer service led by Mrs. Etheridge's sixth grade religion class. By all reports, our 8th graders led by Mrs. Evanczyk and Father Marcotte are doing well and having fun in Washington D.C. Congratulations to the students of Mrs. Daugherty's third grade class, every student passed IRead 2019! Thank you, Mrs. Daugherty and your wonderful team of teachers for working so diligently teaching the art and love of reading. You are the BEST!

Our students and their families once again demonstrated their tremendous generosity by their offering to our Haiti scholarship fund for St. Raphael. With our second collection of \$200, we are well on our way to meeting our goal of providing a Catholic education for two St. Raphael's students. Our last collection will be on Holy Thursday, April 18. Please mark your calendars for the first week of Easter. ILearn, the new state assessment will be given to grades 3 through 8 beginning Tuesday April 23. It is very important that all students are in the building and in their homerooms by 7:45AM. Parents, please help us to complete this mandatory testing on time by not scheduling any outside appointments during the school day.

Next week our students will have an opportunity to receive the Sacrament of Reconciliation as Lenten confessions will take place on Thursday beginning at 9:30AM. This weekend after you attend Mass with your children or the church of your faith, take time to discuss the importance of repentance, reconciliation, and forgiveness. I promise you will be surprised by what your children will share with you.

Enjoy spring and God bless you and your family.
