Forming Saints and Scholars

Our Mission: Sacred Heart Catholic school community provides a Catholic foundation which cultivates disciples of Jesus and fosters academic excellence for all God's children.

*Jesus has risen, Alleluia
Yes indeed, He has risen, Alleluia*

I hope you and your family are enjoying a very happy Easter Season. It certainly is a God-incident that our Savior knew that springtime was the perfect time to bring new life into the world with his resurrection. And there is no better time for each of us to bring a fresh new perspective into our family life and into the communities where we work and play. As Louis Armstrong sang, "It's a Wonderful World!"

This week our students began the state's mandated testing with a new test called ILearn. The testing period continues for the next two weeks. I want to thank parents for helping us to have a successful experience by making sure their children are getting proper rest and arriving at school on time.

Please pray for our thirteen second graders who will be receiving Jesus by making their First Holy Communion this weekend. Mrs. Rohlfing have prepared these students well as they continue their initiation into the Catholic faith. In the Eucharist, our young students come to know and develop a deeper relationship with Jesus.

You are invited to join us for a special Mass on Thursday, May 2, at 1:30 PM. Our 2nd and 8th graders will lead us in a procession, crowning Mary, Queen of Heaven and Earth.

Also, next week on Wednesday we will celebrate our last Spirit Day of the year. We are asking students to bring in \$1.00 for our Haitian sister school, St. Raphael.

Remember, there is no school on Friday, May 3 for Oaks Day.

Thank you for your condolences and prayers for my family and for my wife's mother, Barbara Yazell. Saying our earthly goodbyes to a parent is always difficult, but our hope (certainty) does rest in the *Resurrection and Life* of Jesus.
