St Michael's
Monday Newsletter
April 30th, 2018

Dear Parents,

Later this week we are sending home to each family the 2018-2019 tuition contracts and tuition payment schedule. Also enclosed is a suggested scheduled time to meet with me to discuss the tuition commitment for your family. Since this is a "Fair Share" school, this gives you an opportunity to discuss your financial obligations before determining tuition commitment

Note: We will continue to offer a \$25.00 discount on the registration fee for those families who would like to pay all the fees by June 13th, 2017.

Please bring tax returns or comparable financial information to the meeting if you have not applied for a scholarship grant. I look forward to the meetings as this gives me an opportunity to clarify concerns and answer questions. If there is a need to change the scheduled time, please contact Cassie Chhin in the school office. 360-568-0821.

St. Michael School Launching First Annual Jog-A-Thon- June 1st-

This is a great opportunity for the students to participate in raising funds for their school family, technology and for programs which provide opportunities for them to thrive in a faith-based learning environment. We could not engage in the wonderful learning opportunities and the fun things we do here without your monetary support. Your ongoing backing and support are both truly appreciated.

In order for this fundraiser to be a success, each family is asked to raise at least \$50, however please know that no amount is too small. The family who raises the most money by percentage will win a Chromebook! Each family will receive an email inviting them to the site 99pledges where you can easily share your families' page with friends and family to support our wonderful school. Deadline to be eligible for the prize is June 1st. The site is credit card only, however the school office can accept cash and checks.

Peace,
Karen Matthews, Principal
