

Thoughts on Evangelization

As a part of its ongoing plan, the parish's Pastoral Council is looking into ways to reach out to inactive Catholics.

We all know someone who is an inactive Catholic! And we wish they would come home to the Catholic Church!

Pastoral Council was wondering...

Would like to ask...

From your experience, what are your ideas or suggestions for ways to invite inactive Catholics back to the faith?

Please send us a few lines with your thoughts!

And include your name and contact information in case we have any questions or follow up for you!
