Cantors -- thank you for your continued support. For the benefit of possible substitute organists, and if review of any hymns / psalms is needed, please arrive at least 15 minutes ahead of the start of Mass. We will continue to use the Andrew's Glory to God for the remainder of the summer, and we will follow the use the mass parts, as indicated on the music schedule.

Lastly, you may have noticed some construction in the choir loft. In the next month, the organ and choir set-up are scheduled to be moved there. I'll be updating how we'll function with the relocation in the coming weeks. THANK YOU!
