

## **PASTORAL COUNCIL NOMINEE**

**George Schaefer**

My wife Carol and I have been married 45 years. We have been active members of Saint Anastasia parish for 23 years. I am a retired Information Technology Professional, spending 35 years working in the insurance industry. Since retirement, I spend some of my time volunteering at Dunwoody Village and Bryn Mawr Hospital.

I am a member of the Saint Vincent de Paul Society since 2006. I have been an Extraordinary Minister for 4 years, distributing the Eucharist at Mass and providing the Eucharist to residents at Broomall Rehab and Nursing Facility. I am an active participant in the TMIY program for the past 2 years. This involvement in our parish has given me an opportunity to practice my faith more outwardly.

I believe that it would be an honor and privilege to become a member of the Pastoral Council. The experience I have acquired as a volunteer has enabled me to become a good listener. As a member of the Pastoral Council, I would have an open ear and listen to the concerns of our parishioners. I would enjoy the responsibility of being a voice for our parishioners, who seek to make our parish Mission Statement a reality.
