

PASTORAL COUNCIL NOMINEE George Sharretts

My wife Jean and I have been happily married for 18 years, and we have three children who attend Saint Anastasia grade school and Cardinal O’Hara high school. I work here in the community at Newtown Township in the Public Works Department.

My faith is central to how I live my life, no matter what I am doing. Since joining our parish 18 years ago, I have been honored to assist as a Lector – usually at the early Mass on Sundays. I also enjoy helping whenever I am able with school-related activities and sports teams that our children are involved with.

It was a true honor to be nominated and asked to consider such an important responsibility within our parish. To advise and assist our Pastor and to work to find ways to encourage participation of our entire parish family in the life and mission of the Church is something I do not take lightly. Having been active within the Church and also within the community for many years and with many varied groups of good people, I hope to be able to bring that experience and perspective to our Parish Council.
