## INSPIRATION FOR THE WEEK

How often do we find ourselves wanting what is not ours? Greed, envy, and even gluttony lead us to a bad end. We live in a world that feels very entitled. Many people believe that wants and needs ought to be provided or simply given to them, without any work or effort. It is easy to feel that we have received the short end of the stick or less than what we deserve.

However, feeling shortchanged makes it impossible to walk with gratitude in our hearts and feel a sense of responsibility, the two essential elements of the spiritual life.  
Are we grateful?
