We, the people of St. Anne Parish, Southborough, in the Diocese of Worcester are called through Baptism to become one faith family. We commit ourselves to embody the presence of Christ in Word and Sacrament; by using our ministries to welcome all who are seeking Jesus and to share in the life and work of our Catholic faith. In the spirit and truth of the Holy Trinity, we will use our time, talents and treasure to answer God's command to love one another as He has loved us, in holy worship, prayer, Catechetical formation for all, evangelization and service to others.

Please look over the carving that are available and help support his self / help project to keep the children and the Christians present in the holy land of Jesus birth. Thanks you and God Bless you

Blood and Sacrifice

The church celebrates the Feast

of the Body and Blood of Christ today with three readings about blood, sacrifices, and covenants. The first reading re-tells the story of Moses using the blood of young bulls to symbolically seal the covenant between the Israelites and God after God gave them the Ten Commandments on Mt. Sinai. The Letter to the Hebrews declares that Jesus' sacrifice is more effective than the blood of goats and bulls in sanctifying us. Finally, Jesus' words at the Last Supper reveal a new understanding—that Jesus will take the place of animals in Jewish worship by offering himself up to death for us. Jesus' Last Supper was a Passover supper. It took place on the day that Jews traditionally sacrificed and ate a lamb in remembrance of the night when God "passed over" the houses of the Israelites. On that night in Egypt, following Moses' instructions, each Israelite family sacrificed a lamb and used its blood to mark their door posts. That same night, the firstborn of all the Egyptians were killed, but death passed over the Israelites, and they followed Moses to freedom through the parted waters of the Red Sea. The Passover supper included a ritual of breaking and sharing unleavened bread (which is why the bread we use for Communion is unleavened) and sharing wine together. When Jesus and the disciples shared their Passover meal they were following all of the Jewish traditions. What made that particular Passover meal different was that Jesus declared that the bread they were eating was his body and the wine they drank was his blood, the "blood of the covenant." From then on, the Passover supper became a remembrance both of how God freed the Israelites from slavery in Egypt and how Jesus saves us by showing us how to live and die.
