

Saint Maria Goretti Catholic School

2018-2022 Strategic Plan

GOAL: Operational Vitality

We will ensure that there is sufficient funding for the advancement of the school's mission, and the achievement of its vision.

Catholic Identity

Provide a strong, safe and nurturing environment to grow and educate our children within the parish community as a whole.

2018-2019 Initiatives

- Expand and Develop the Pre-K program.
- Create a fully functional development office to increase enrollment, retention of students and funding.
- Continually assess and review safety and security procedures and update as needed.
- Regularly evaluate and update technology needs, equipment and curriculum.
- Recruit, develop and retain faculty and staff.

Longer-term Initiatives

- Increase enrollment to 400 students by 2023.
- Increase tuition endowment.
- Review and come into ADA compliance.
- Early Childhood Center– conduct feasibility study in 2019.

GOAL: Spiritual Life and Student Experience

Deepen a Catholic faith formation through servant leadership.

Catholic Identity

Focus on student designed service projects where students are putting their faith in practice as they serve their community, school and parish.

2018-2019 Initiatives

- Nurture and enhance a collaborative partnership with the parents and parishioners.
- Student initiated service opportunities.
- Create a clear mission and belief statement which reflects the vision of the school.
- Offer a variety of enrichment activities for various learners.

Longer-term Initiatives

- Expand service to school, parish and community to all grade levels.
- Teaching all a desire to mirror the image of Christ by showing integrity, courtesy and respect.

Goal: Governance and Leadership

Administration will have consistent communication with school, parish and local community as well as expand community partnerships.

Catholic Identity

To be effective leaders and respectful followers by teaching the way of Jesus Christ.

2018-2019 Initiatives

- Research and define most meaningful and efficient forms of communication.
- Deepen relationships with parish and local community.
- Enhance core leadership qualities for all students, parents, teachers, parish, community and School Committees.
- SAC and H&S periodic review of policies and procedures to ensure responsiveness of school community.

Longer-term Initiatives

- Enhance an emotionally and physically safe learning environment which cultivates Catholic faith and values.
-

Goal: Academic Excellence

Develop and utilize content assessments to drive instruction and differentiate curriculum to meet student needs and instill a lifelong passion for learning.

Catholic Identity

Integrate Catholic values across all academic disciplines.

2018-2019 Initiatives

- Enhance and increase student performance in math.
- Continue Student Support Program.
- Improve student writing ability.

Longer-term Initiatives

- Establish and develop Gifted/Talented Program.
- Establish and develop a STEM Program with Labs.
