## ON THE PATH TO A GREENER FUTURE

Our Mission and Social Justice Committee is marking the anniversary of the publication of Pope Francis' encyclical *Laudato Si'* with a short outline of how the Church is carrying out his exhortation for us to care for creation. Our parish has joined the Green Church movement, but we all have responsibility to put his words into practice. Please see "On the Path to a Greener Future" *on the parish website*, or pick up a copy in the Narthex.

Everyone has a right to good water and food, the fruits of God's creation. Catholic Social Thought

## ST. BASIL'S COMMUNICATIONS TEAM

"Imagine St. Basil's" conclusions showed us that our parishioners felt there was a need in our parish for more and better communication. To that end, the St. Basil's Communications Team was initiated as an ad hoc committee. So far, we have initiated or are handling the twitter account, facebook, the newsletter, a basic data base of parishioner email addresses, wifi in the church and hall, the [stbasilscomms@gmail.com](mailto:stbasilscomms@gmail.com) account, and the logo contest. We are looking for parishioners who would like to join our committee to help with these and future endeavours. If you have communication or IT skills or just want to lend a hand, please contact us at [stbasilscomms@gmail.com](mailto:stbasilscomms@gmail.com) or the parish office. Look forward to hearing from YOU!
