

The Prayer Shawl Ministry

- ***** offers a shawl, like a hug from God, hand knitted by members of our ministry, as a symbol of God's all embracing love surrounding the wearer, as well as the support and prayers of our St. Basil's community.
- The shawls are offered to those needing comfort, celebrating a significant life event or embarking on a new beginning in their journey.
- We ask you to join in our parish prayers for all recipients of a shawl and to let us know if you or someone you know might appreciate receiving one in the spirit given.
