2018-2019 HORIZONS STUDY "GOD'S PROMISE: I Am with You"

By Amy Poling Sutherland

God's Promise: I Am with You, takes readers on a journey through scripture to consider how God's promise ("I will be with you"/ "I am with you") speaks to our circumstances, as individuals and a community. We'll also consider Jesus' own promise of presence to his followers as he sends us into this world. As we explore the many facets of this most profound gift, we'll ask, how does God's promise of presence change us and the way we live? This study does not delve deeply into manifestations of God's presence but rather on God's actual articulation of God's promise. We will see anew that God offered these words of profound comfort and commitment to individuals and communities from the time of the patriarchs to that of the prophets; from the judges to the kings; before, during, and after the exile; into the New Testament and beyond, to the end of the age.
