AN INVITATION TO SERVE

FPC's Session has nine (9) ministry committees in order to accomplish the work of the church. As extensions of the Pastoral and office staff, these committees help support the week-to-week operations of our church-life. With the start of each New Year, Session committees (led by Elders) re-organize. In addition, **members-at-large serve on these committees**. Serving on a Session committee extends one's involvement beyond personal interaction to the kind of ministry that strengthens our church and is one way **YOU** can serve the church. You are encouraged to think about what gifts you can offer to the work of our community of faith. Clerk of Session Tammie Keesee ('19) keeps records, minutes of meetings of the Session. Committees, areas of responsibilities, and elders serving on these committees are listed below. **Prayerfully consider if God is calling YOU to serve in one of these areas of FPC's ministry.** To know more and/or serve on a committee, be in touch with an elder listed below or Ted Foote (979.823.8073 or tfoote@fpcbryan.org).
