2019 Partners in Charity Appeal Manual

Dear Friends in Christ,

As we approach the 2019 Partners in Charity Appeal, I would like to thank all of you who made a sacrificial gift to the 2018 Appeal. I thank God for the generous support of the people of the Diocese of Worcester, and the leadership of pastors and parish chair people. Thanks to everyone's efforts we surpassed our \$5 million goal in 2018 raising \$ 5,076,252.

Our 2018 appeal was supported by 16,454 families and individuals, which enables us to meet the financial needs of our ministries in this current fiscal year. I extend a special word of thanks to the 63 St. Paul Society members who contributed \$329,310, and the 45 Holy Family Society members who donated \$614,626. Also to be noted is that 110 priests of our diocese together contributed \$161,116.

These ministries serve tens of thousands of people in Worcester County, from families in our parishes to those on the fringe of society. Your continued generosity to this appeal has been and continues to be a compassionate sign of your own desire to face the needs of so many and to help them bear the struggles they are facing.

As you reflect on the many gifts God has bestowed upon you this past year, I encourage you to support the upcoming 2019 Partners in Charity Appeal.

Thank you again for your generosity. With your help, we will continue to build up the Church in Worcester County and beyond.

With every prayerful best wish, I remain

Sincerely yours in Christ,

Most Reverend Robert J. McManus
Bishop of Worcester

Dear Pastor/Appeal Administrator,

As we begin to launch the 2019 Partners in Charity Appeal, we would like to again thank you for your continued help and to express our sincere gratitude to you, our Pastors, Administrators, chairpersons, lay presenters, and secretaries, for the leadership that you provide to your parish. Whether you are helping your parish for the first time or have been involved for years, thank you for your willingness to give of your valuable time and talents. Your efforts, along with the generosity of parishioners of your parish, allow us to continue to do the work of Our Lord here in the Diocese of Worcester.

This manual was prepared to assist the parish leadership in planning and conducting the annual appeal at the parish level. It highlights the various phases of the appeal, describes the important duties which our clergy and lay people are to perform and contains information to help ensure success. Your parish results should prove rewarding if the recommendations in this manual are followed.

Our materials, (print, video, and online) are powerful ways we can tell that story and invite people to participate.

When setting the 2019 campaign calendar, we are cognizant that the suggested dates may not always work in your parish. Pastors are welcome to adapt this schedule so it best works for their individual parish.

The Stewardship and Development Office staff is pleased to offer assistance anytime.

GOAL EXPLANATION

No parishes will see an increase in their parish goals in 2019. We continue to ask that pastors continue to encourage their parishioners to support their parish and the Partners in Charity Appeal as they are able. It makes sense to align the parish goal formula in a similar way.

For the fourth year, parish goals are calculated using a three-year rolling average of your parish's ordinary income. By taking the offertory income into account, the goal formula places parish goals more in line with each parish's financial situation. The parish ordinary income amounts are based on the annual reports that the parishes submit each year. The objective in setting goals in this manner is to provide more equity and balance for all parishes.

Since all the parish goals once again do not reach the \$5 Million diocesan goal, the Development Office will be responsible for raising \$120,000 to help in reaching the difference.

In the future we will make changes to be equitable for all parishes.

WHO WE SERVE

Partners in Charity encompasses three specific areas in our diocese: Charity, Education and Ministry. Tens of thousands of people who are served and taught by ministries and agencies supported by Partners in Charity know that the power of Christ is behind the programs that help them.

Children in parish religious education classes and Catholic schools have their eyes, hearts and minds opened to Christ thanks to support for catechists and catechetical leaders. Men discern Christ's call to serve as priests or deacons and priests who have dedicated their lives in service to our people are cared for in their retirement years. Through Catholic Charities and other agencies, families and individuals have their basic needs met in a safe, welcoming and confidential environment.

ESSENTIAL ROLES

The Pastor

The Pastor's role is essential to the success of the *Annual Partners in Charity Appeal*, as it is to any other parish endeavor. His enthusiastic support for the appeal is vital, and is evident in the manner in which he publicly speaks from the pulpit and at other parish gatherings about the appeal's purpose and significance. Generally, people will be lifted to a level of giving inspired by the Pastor and stewardship leaders.

The Pastor invites enthusiastic lay faithful to serve as the Chairs for the Appeal Committee, and often becomes involved in the selection of other committee members. He works closely with these lay leaders, offers advice, ensures that parish reports are correct, and that reports, pledges and gifts (checks) are forwarded to the Office of Stewardship and Development in a timely manner.

Chairs and Co-Chairs

The parish chairpersons directly organize and coordinate the parish drive and work in close collaboration with the pastor. They invite other parishioners to join them in this collaborative effort, especially since the annual appeal is a *partnership* and should embrace the talents and good will of many.

For the *Annual Partners in Charity Appeal*, pastors or chairpersons, assisted by the committee:

- Ensure that appropriate publicity and campaign announcements are made
- See that the outdoor poster has been placed in position
- Assist in the mailing of any direct mail to the parishioners (i.e., letters from the pastor)
- Order materials and resources as needed from the Office of Stewardship & Development
- Approach designated parishioners to request advance gifts
- See that all pledge envelopes and pens are available in pews for all Masses and that Bulletin Inserts are distributed on the week prior to In-Pew Sunday

In-Pew Sunday March 16/17 or March 23/24.

- Oversee the confidential recording of all donations by the parishioners.
- Arrange for 'call backs' to parishioners yet to donate following *In-Pew Sunday*
- Ensure that parish reports are correct and that they are given to the diocesan office on time.
- Thank all Committee members and parishioners at the end of the appeal.

A special note: On the weekend prior to In-Pew Sunday, the chairperson (or a well-spoken designee) speaks to the parishioners at parish Masses, encouraging their participation and a pledged gift. A sample lay witness talk is provided.

Did you know?

- People who feel *inspired* to give to a cause tend to give as much as they can.
- People who feel *obligated* to give tend to give the minimum expected.
- We don't want people to give until it hurts; we want them to give until it feels good!

What NOT to do:

- Apologize for the Appeal.
- Portray this as a chore or another “required” donation - *this is an opportunity for Stewardship - time, talent and treasure!*
- Don't say, “I know our economy has not been very strong the last few years, and many of you are struggling, so just give if you can” - or any similar negative statements. Allow people to make their own decisions. Their commitment is between them and God.

SUGGESTED CAMPAIGN CALENDAR

When setting the 2019 campaign calendar, we are cognizant that the suggested dates may not always work for all parishes. **Thus, pastors are welcome to adapt this schedule so it best works for their individual parish.**

OUTDOOR SIGN

The outdoor sign is an important and inexpensive way of drawing attention to our appeal. Please consider displaying this sign at the beginning of Lent. Once you reach goal, we then ask that you display the “thank you” which is initially attached when you receive the outdoor sign.

PASTOR’S LETTER

Over the years, many pastors send letters to parishioners just prior to the In-Pew Sunday so that parishioners can be better prepared to make a gift at Mass. In addition to this mailing, some have opted to place a pledge envelope asking parishioners to complete them and send them back to the parish. Every parish has a different approach to this process.

BULLETIN INSERT/VIDEO

We have one promotional bulletin insert this year. We ask that you insert the “Generate Joy” insert on **March 9/10 or March 16/17** or as close as possible. We hope to insert this flyer in *The Catholic Free Press* as we have in previous years. It would also be a good weekend to show the video in your church or invite them in the bulletin to watch it online at partners-charity.net.

LAY WITNESS TALKS

We recommend that the witness talk be conducted **March 9/10** the same weekend that you insert the flyer in in your parish bulletin. Hearing a witness along with seeing the insert has proven to be a powerful tool.

IN-PEW SOLICITATION

We are earnestly requesting that each parish conduct the traditional in-pew solicitation on the weekend of **March 16/17 or March 23/24**. A step-by-step guide is provided to help in conducting this process. The guide is enclosed within this manual and will be conveniently located on our website www.Partners-Charity.net.

PARISH REPORTING

It is key that each parish representative mail in a weekly pledge envelope. Inside each packet you should include individual pledge envelopes, along with a completed donor information sheet and an accompanying check made out to Partners in Charity.

Reminder: If we do not receive a check for the total gift amount with the envelope(s) we will not be able to enter the pledge(s) into the system as was done years ago. No reports such as faxes or phone calls are necessary. It is important for billing purposes that pledges are sent in as soon as possible to the chancery, **in order to comply with the donor’s request for up to 10 months of billing.** Please see the section on Gift Processing and Reports for more information.

SAMPLE PASTOR'S LETTER – BEFORE IN-PEW SUNDAY

Dear Mr. & Mrs./ Mr./ Ms./ Miss/ Randy and Joan, etc.....,

Generate Joy! What an inspiration it is for all of us to know that when we support the Annual Partners in Charity Appeal we generate joy in the lives of those served by our many agencies and ministries. And you, in turn, share in the joy of bringing hope into the lives of those we serve. It is why I offer my thanks to God for the prayers and support of the generous people of this parish.

The inspiration for this year's campaign came from Saint Pope Paul VI who reminded us so eloquently "The world calls for and expects from us simplicity of life, the spirit of prayer, charity towards all, especially towards the lowly and the poor, obedience and humility.... Without this mark of holiness, our word will have difficulty in touching the heart of modern man. It risks being vain and sterile."

Bishop McManus recently wrote to you regarding the *Annual Partners in Charity Appeal*. It describes the need for this significant appeal. It is most fitting this year that our 2019 Appeal patron Saint Pope Paul VI. I now join our bishop in inviting your generous response.

As your pastor I cannot overstate the importance of this appeal, which supports the work of 28 diocesan agencies, ministries and programs, and serves the people of all our parishes and missions (nearly 280,000 local Catholics), as well as many thousands of people in need throughout Worcester County.

The theme of the appeal this year, "Generate Joy," is based on our ongoing commitment to serve the needy throughout Central Massachusetts. Once a year, we commit ourselves to this ongoing work with our Annual Partners in Charity Appeal. We as a parish reflect on God's great generosity, and respond with generous giving of our own.

Our parish goal is \$-----. We will need many generous donors to reach, and hopefully exceed, our goal. I know that I can count on wonderful parishioners like you.

Along with general media promotion on TV and in the newspaper, we will be learning more about the appeal through a special bulletin insert. I want you to know that **name(s) has(have)** agreed to serve as our parish **chairperson(s)** this year and I am very grateful for **his/her/their** personal support of the appeal. (NAME) will address us at an upcoming Sunday Mass and I know that **he/she/they**, and our parish committee, will put in many hours to lead our effort.

Please pray for the success of our appeal here at **name of parish**, and join me in supporting *Partners in Charity*

I ask that the Lord bless you and your loved ones
Sincerely,

Rev. -----

SAMPLE PASTOR'S LETTER – FOLLOW-UP LETTER 2018

Dear Mr. & Mrs./ Mr./ Ms./ Miss/ Randy and Joan, etc.....,

As your pastor, it is my privilege to invite you to join many others in pledging to our *2019 Partners in Charity Appeal*. This appeal makes possible many programs and ministries that our parish alone could not provide.

Our Appeal Committee and I have noticed that you have not yet participated in the 2019 appeal with a pledge. I personally encourage you to pledge today and I appreciate that you will give this your prayerful consideration.

Enclosed please find an envelope for a pledge or gift. Please pray about what you are able to do. Complete the necessary information and seal your envelope. Please place it in the basket next weekend, drop it off, or mail it to the parish office. You may also mail it directly to the Diocese of Worcester at 49 Elm Street, Worcester, MA 01609. Our parish will receive credit for your gift.

Thank you for joining us in this special diocesan-wide effort to support our local Church.

May the Lord bless you and your loved ones.

Sincerely,

SAMPLE WITNESS TALK (given on weekend before In-Pew Sunday)

Hello, my name is _____. I'm a volunteer at _____ Parish.

Once a year, we commit ourselves to this ongoing work by supporting this important appeal. We reflect on God's great generosity, and respond with generous giving of our own. With your support, *faith in action* is visible every day in the compassionate outreach of Catholic Charities, to the least among us; in the prayerful witness of our retired priests and the joy of new priestly vocations; to the many diocesan ministries and programs that heal, teach and care for others. I'd like to talk to you for just a few minutes about the diocesan annual appeal called Partners in Charity.

Partners in Charity helps open the door for:

- Our children and young people who attend Catholic schools
- Parish religious education programs and area college campus ministry programs
- Mothers and fathers at many Partners-supported agencies where charitable help is available for them and their family.
- Men, women, deacons and priests being prepared so they can serve others pastorally
- Newcomers to our country who cherish their Catholic faith who are supported by parishioners from their native lands with open hearts full of friendship.

Without the annual appeal, we may not have had the many training programs that prepare volunteer and professional teachers and lay ministers to reach out to our families and friends, the sick, and the needy.

I would like you to think about how your generosity impacts many people in Central Mass and how you can contribute to the future of our Catholic Church, not only here at _____ (name of Parish), but throughout the Diocese of Worcester.

Many of our brothers and sisters have not been as fortunate as our own homes. How will you respond to God's call to help them and be a Steward of God's gifts with which you have been blessed?

Some of you may be able to pledge \$25 per month, others \$100 per month, some even more. All I ask is that you give in gratitude for the blessings that the Lord has bestowed upon you.

Please remember, what you give to the Partners in Charity Appeal also helps build stronger ministries right here at _____ [Parish]. So please, look into your heart and join me in responding to this request. As our appeal patron for this year, Saint Pope Paul VI said, "*No one is excluded from the joy brought by the Lord. The great joy announced by the angel on Christmas night is truly for all the people.*"

Thank you, and may God bless you.

CONDUCTING AN IN-PEW COLLECTION

Before Mass:

Make sure that you have met with the ushers before each Mass. They must be instructed when to distribute the pledge envelopes. It is best that the pledge envelopes not be in the pews before Mass. Pens (not pencils in order to be legal) should already be at the ends of the pews. Check after each Mass that pens are still available in the pews.

As the homily is about to conclude:

When the presentation on the appeal (by a priest or lay presenter) is about to conclude, and the in-pew collection is about to begin, the presenter now instructs the ushers or volunteers to move throughout the church to distribute pledge envelopes. It is very important to have enough ushers/volunteers to accomplish this task very efficiently, so as to avoid any delay. Each parish should determine the best number of volunteers.

Begin to collect the envelopes as soon as you see that all parishioners have a pledge envelope.

Remember that you need to speak very clearly and much more slowly than usual to give your listeners time to follow the process with you.

Be confident and enthusiastic.

Be sure to encourage people to complete the envelope right in church. Do not encourage them to take the envelope home.

THE IN-PEW SPOKEN PRESENTATION

- Please open the pledge envelope. If you have made an advance gift simply note it on the envelope and provide no other details.
- On the flap section of the envelope check the pledge amount box.
- Please print your name, complete address, phone number and email address.
- Now, print your parish name and city or town.
- Please complete the bottom section of the envelope: If this is a one-time gift and you are paying by cash or check, mark the one-time gift box and enter the amount in the Total Gift Amount field. Make check payable to Partners in Charity Appeal.
- If you are paying by credit card, check that box and complete the shaded area on the right, including the expiration date on the card.
- If you wish to make a pledge, check the box that says “send reminder,” then enter the total gift amount and check the monthly pledge box if you wish your gift to be paid over 10 months.
- Tear off pledge slip along the perforation and insert into the envelope.
- Finally, seal your envelope and place it in the basket.
- On behalf of Father _____ and everyone involved in Partners in Charity please be assured of our gratefulness for your generosity and support.

At this point (and the parish decides this) you are to tell the congregation to either hold the pledge envelopes until the Offertory collection or to have the ushers pass the basket.

GIFT PROCESSING AND REPORTS

How Gifts Are Made

Most donors make their contribution to the Partners in Charity Appeal **directly** by mail to the development office; **online** via the website; or at their **parish** during an in-pew collection or in response to a parish mailing. Diocesan employees also have the opportunity to give via payroll deduction. Gifts of Stock are also accepted; please visit the website or contact our office for instructions.

Gift Types & Payment

There are two main types of gifts:

- 1) **Cash Gifts** are one-time gifts with immediate payment.
- 2) **Pledge Gifts** are a promise to contribute a certain amount which is then fulfilled over a period of time. .

Regardless of gift type, donors have the option of receiving a reminder statement or providing credit card info on the pledge slip. Some parishioners may enclose cash in their envelope. Please do not mail cash payments; instead send a parish check. All checks should be payable to “Partners in Charity Appeal”.

Direct/Online Gifts & Reports

Direct and Online gifts received at the Development Office are processed daily.

Any new gifts received after September 1, 2018 have been applied to the 2019 Appeal. Because of this, your parish may already have gifts credited toward your 2019 Goal. Further, since we have sent out an initial direct letter from the Bishop, scheduled to be in homes the second week of February, new pledge & gifts for the 2019 Appeal will have started to come in prior to the in-pew weekend.

If you would like a report listing the total of direct and online gifts that have been credited to your parish, please contact Michael Gillespie at mgillespie@worcesterdiocese.org or 508-929-4368. These reports are available weekly starting February 1, 2019.

Parish Gift Processing

Your parish has completed the in-pew solicitation or mailing and now has many completed pledge envelopes! Here’s what you need to do next:

- 1) Open the pledge envelopes
- 2) The provided labels with your parish number and their PIC account number, name & address which should be affixed to the “OFFICE USE ONLY” space. This speeds up data entry and ensures proper credit is received.
- 3) If there is no label please write your parish number in the right hand corner of the “OFFICE USE ONLY” space to ensure parish credit.

- 4) Record the donor and gift information on a Parish Collection/Donor Information Report. See **Parish Donor Reports** below for more information.
- 5) Mail the original pledge card and completed report to the Development Office along with payment(s). See **Submitting Parish Gifts** below for more information.

Parish Donor Reports

Parishes are asked to send in gifts collected weekly with accompanying payments and reports. A sample sheet has been provided and is also available online for download on the **partners-charity.net** website under "Parish Resources." Please number each report and record the date submitted. This report should include:

Donor Name

Donor Address

Total Gift Amount

Amount Enclosed

Balance Due

Please also note if the gift is being matched or paid by credit card.

Understandably, some parishes may keep track of the gifts that are collected in an Excel Spreadsheet or similar document. If this is the case, there is no need to fill out a separate donor information/parish collection report, as long as the all the above information is included. A print-out of your Excel file or report will suffice.

Submitting Parish Gifts for Processing

Please process and mail in new gifts on a weekly basis. Each packet should include individual pledge slips (with labels!), a completed donor information sheet and an accompanying check(s) made out to Partners in Charity for the "Amount Enclosed" on the report. The preferred method is to submit one parish check for the enclosed amount, however if your bank will not let you deposit checks made out to Partners in Charity, it is fine to forward them as is. Again, please do not submit cash.

For accounting purposes, if we do not receive a check for the total gift amount with the envelope(s), or the amount received does not equal the "amount enclosed" on the donor report we will not be able to enter *any gifts* from that report into the system. The office will contact the parish to reconcile the difference. Any discrepancies between the pledge cards and donor reports and check amount totals will delay gift entry.

CIRCLES OF HONOR

A Call to Leadership

The Circles of Honor offer us a special way to join the Bishop, supporting him as he guides us on our faith journey. As special partners with the Bishop, Circle of Honor members will have opportunities for closer involvement in the mission of the Catholic Church in our diocese. Although the Development Office hosts appreciation events throughout the year, these events should never take the place of planned appreciation receptions in your own parishes. They are merely supplements that hopefully will help to “put a face” on the Diocese and let people know that we appreciate their support of your parish and the work of the Diocese.

Circles of Honor Giving Levels

Holy Family Society
\$7,500+

Saint Paul Society

CIRCLES OF HONOR

Growing the Circles of Honor to Reach Your Parish's Target

Many parishes over the last five years have reached their Partners in Charity Appeal target by focusing on growing the Circles of Honor at their parish. Below you will find ways to promote these leadership societies in your parish.

- A. Personal witness and request to consider joining a Circle of Honor. This can happen from the pastor or parish director or with a current society member from the parish.
- B. Please share with the individual why you feel being a member in the society is so important.
- C. Send a personal letter to society prospects within your parish. This method has been very successful. If you would like the Development Office to suggest some parishioners who may be able to give at the society levels, please contact us.
- D. Host a Society event. Steps for a successful event:
 - Invite two Society couples or if your parish does not have any Society members, invite two couples that are leaders in your parish to help with the event.
 - At the event have a parish leader present their story of how the Partners in Charity Appeal has helped them. Our Development Office would like to have a representative at your meeting to answer questions, and if needed make “the ask” (a request).
 - The Development Office will help you with a special mailing to this group if you would like help.
 - Prepare invitations for the event. (Please include an RSVP)
 - Other materials to prepare:
 - Sample talking points for Father or event leader
 - Consider a bulletin ad to promote the event.
 - Show the DVD of the appeal video presentation.
 - Follow up with a phone call to each family about the event.
 - After the event, send a Thank You letter for attending the event.
 - Follow up with those who did not fill out a card.

PUBLICITY

The more often parishioners are reminded about the impact of the appeal, the more likely they are to make a gift.

The **outdoor posters** provided to you by the diocese should be hung in a prominent place.

Bulletin Insert: We have one promotional bulletin insert this year. We ask that you insert this on **March 9/10 or March 16/17** or as close as possible. We hope to insert this flier in *The Catholic Free Press* as we have in previous years.

You will receive the **Partners in Charity Appeal DVD** with your materials. Below is some information that should help you show the appeal videos before, during or after Mass this year. Most parishes find that with adequate preparation, they can iron out any technical problems that may occur the first time they use the DVD. A special thank you to Mr. Ray Delisle & Mr. Steve Kaufman from our Diocesan Communications Ministry /TV Ministry for producing the 2019 Partners in Charity Video. The video is also available for download or online streaming in the Resources section at www.partners-charity.net.

Notes Regarding the Video and Video Equipment

- Whether or not you are able to show the DVD during Mass, please consider showing it at gatherings including coffee-hour after Mass, the Parish Pastoral Council, Finance Council, men's and women's organizations and at meetings of other active ministries in the parish.
- Make note in the bulletin that the DVD presentation can be viewed online at partners-charity.net and promote Faith in Action TV Show if shown in your community.
- Be sure your projector is bright enough in churches that are bright.
- Putting the microphone next to a television speaker may distort the sound. It may be necessary to hook up the sound system directly.
- Test the DVD and system well before showing it.
- It is a very good idea to preview the DVD to check that it did not get damaged. Also check sound and visibility and view the DVD in church BEFORE they are used.
- The video will appear on screen between 5 and 15 seconds after pressing play. This is normal.

RESPONSES TO FREQUENTLY ASKED QUESTIONS

I give to my parish, why should I give to the *Partners in Charity's* Annual Appeal?

Your support of your parish is very important. There are programs and ministries, however, that we cannot do alone as a parish. Together with the diocese we can address broader support services for the poor and hungry in our community, and education for our children, especially in the faith. Together, we can do more than any one parish can do alone.

Why are there so many mailings?

More than 2.5 million dollars of the appeal comes to us through the mailings. Once you have responded to Partners in Charity mailing or made a gift through your parish, mailings to you will stop with the exception of a thank you letter and tax receipt at the end of the year. Tax receipts are sent to anyone who gives a gift of \$250 or more, which is required by the IRS. It is always wise to keep receipts of your charitable giving for audit purposes.

How can I make my gift?

We try to make your giving as easy as possible! You can make a pledge through checks, credit cards, online giving at www.partners-charity.net, bequests, charitable gift annuities, matching gift programs, and approved gifts of real estate. Give us a call and we'll happily answer your questions. 508-929-4366.

This is a large request for my family to consider...

The gift request is a suggestion only. We ask you to consider a gift amount appropriate to your financial circumstances. Gifts can be made in the form of cash and securities, or a combination of both.

What if I am unable to fulfill my pledge?

A pledge is a commitment made under a particular set of circumstances. If those circumstances change, you may adjust the pledge payments and/or balance accordingly.

Why are pledges emphasized?

When you make a pledge, you are participating in the work of these ministries each and every month that you send in a pledge payment. Our appeal emphasizes gifts over a period of time because it allows individuals and families the opportunity to consider a larger commitment – and more significant impact – than when making a one-time contribution. Experience demonstrates that donors who pledge are able to consider gifts significantly larger than those who make one-time gifts. The earlier a gift is made, the more time the donor has to fulfill his/her pledge.

To what extent are gifts to the Partners in Charity Annual Appeal tax deductible?

Gifts to *Partners in Charity* are tax deductible to the fullest extent of the law. Donors with specific questions regarding tax deductibility should contact their financial advisors or tax preparers.

TEN WORDS FOR A SUCCESSFUL APPEAL

Jesus – Without Jesus all you have is a fundraiser. There is nothing wrong with a fundraiser if you are building a library or adding a wing to a hospital, but as a church our mission is to reach the world for Christ. At the epicenter of every successful life-altering, heart-expanding, ministry-enabling appeal is Jesus Christ.

Prayer – It is the foundation of every successful appeal. Timing, team members, development, design, message content; every detail of the campaign should be bathed in prayer.

Calendar – Successful annual appeals begin with the end date in mind and then work backwards. Essentially everything on the prayer list should also have a date and a place on your appeal calendar.

Enlistment – Who is going to do all this stuff? Many hands make light work but smaller teams are easier to manage. This is just one of the many things you are going to want to commit to prayer. Whether you are relying on volunteers, staff members or a combination of both be sure to allow enough time for them to clear their plates to make room for the added challenges of an appeal.

Leadership – Successful appeals don't just happen, they are skillfully led. If you don't have a great deal of experience leading annual appeals, or if the campaigns you have led have not been as successful as you would have liked, give prayerful consideration to hiring a coach or consultant to guide you through the process.

Accountability – The road to a failed appeal is paved with good intentions. Since every item on your appeal calendar is time sensitive (hey, that's why it's on a calendar). Every component needs to be broken down into individual tasks. Each task needs to be assigned a start date and a completion date. The completion of each individual task needs to be confirmed while there is still time to do something about it.

Repetition – It is the one thing I can promise you during an appeal. From asking people what would prevent them from making a large commitment to articulating how this is going to fuel ministry, you will be saying many of the same things over and over again. Keep this in mind: when you are absolutely certain that you will be sick to your stomach if you repeat the same words just one more time, about two-thirds of the parishioners will be just starting to get the message.

Sacrifice – Define it, talk about what it looks like, about what it does, how God uses and multiplies our sacrifice for his Kingdom. Generosity is good, but it is only through sacrificial giving, giving at a level that impacts our life that we can really impact others.

Invitation – Successful appeals are an ongoing invitation process. There are the earliest conversations inviting leaders to pray about making ministry changing gifts that God has enabled them to make. There is the invitation to the parish and to respond on In Pew Sunday. There are the ongoing invitations to those who are new to the church or who for whatever reason were unable or unwilling to respond at the time of the appeal. Success requires leaders to keep an invitation at the ready.

Expectations – While there is no way to know the outcome until you complete your appeal, there are some things that you can expect with near absolute certainty and those expectations should be great. Of course you can expect hard work and endless repetition, but you can expect so much more. Implemented correctly you expect to fund projects and fuel ministry. You can expect to see hearts altered and lives changed. You can expect to see the community unite with laser-like intensity, you can expect to see God honored like never before and you can expect to see God do powerful things in your midst.

Not bad for ten little words.

Loving God by serving others

The 2018 annual Partners in Charity appeal ended on August 31, 2018 with a total of \$5,076,252 from 16,454 donor households to support our 28 agencies and ministries in the Fiscal Year beginning on September 1, 2018. The charts below demonstrate how 2017 donations were used in 2018.

The Circle of Giving benefactors accepted a leadership role in the work of the

diocesan Church through their support of the Partners in Charity appeal. As members, they pledge to become partners in a shared vision for the future of the Diocese of Worcester by setting an example of good stewardship and by reaching out with charity to many thousands of people in need who are served by the ministries and programs of the Diocese.

Our leadership circles are helping us fulfill our mission!

Of the 16,454 donor households in the 2018 campaign, 4,155 of them committed to the following societies:

45 – Holy Family Society
(\$7,500 or more)

63 – St. Paul Society
(\$5,000 - \$7,499)

138 – St. John Paul II Society
(\$2,500 - \$4,999)

268 – St. John XXIII Society
(\$1,500 - \$2,499)

71 – St. John Vianney Society
(\$1,000+ gifts made by priests)

594 – St. Francis of Assisi Society
(\$1,000 - \$1,499)

1,359 – St. Teresa of Kolkata Society
(\$500 - \$999)

1,688 – Dorothy Day,
Servant of God Society
(\$300 - \$499)

“Because God has been so good to me and my family, I want to ‘pay it forward’ with this donation.”

– Lynn, donor since 2006

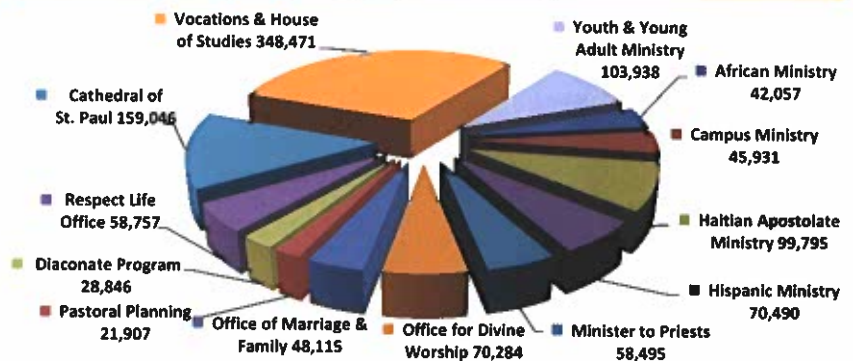

CHARITIES – \$1,747,743

EDUCATION – \$2,566,378

MINISTRIES – \$1,156,132

Technological society has succeeded in multiplying the opportunities for pleasure, but it has great difficulty in generating joy.

SAINT POPE PAUL VI

Generate Joy!

Partners in Charity

DIOCESE of WORCESTER

Joy of Mission

A pilgrim pope who thought we should be a more missionary Church. A man who stood firmly for the sanctity of life. A champion of the Church's social justice teachings. A humble servant. And a lover of Mary, whom he called "Mother of the Church."

Paul VI, this year's patron for Partners in Charity, came in between two powerhouses, John XXIII and John Paul II. All three of these modern day popes have been canonized, with Pope Paul VI being the newest on Oct. 12, 2018.

Faith in Action

St. Pope Paul VI, is a man whose insight and influence are still being lived out today.

We take him as our inspiration to live joyfully, give joyfully and generate joy in those we encounter through Partners in Charity.

Pope Paul VI had the task of presiding over the final years of the Second Vatican Council that was in session from 1962 to 1965, tumultuous times in the Church. After St. John XXIII's death in 1963, Paul VI continued the work of the Council, allowing the Mass to be celebrated in the vernacular, giving the laity a greater role in the Church, and fostering ecumenical relations.

He is the author of the 1968 encyclical "Humanae Vitae," which was controversial in its time, yet has proven to demonstrate Paul VI's foresight in predicting that allowing contraception would lead to the devaluation of human life and human relationships.

He was the first modern-day pope to travel outside of Italy and the first pope to visit the United States. In 1965 he celebrated Mass at Yankee Stadium, bringing a message of peace to America.

Joy of Witness

At October's canonization Mass, Pope Francis said, "Paul VI spent his life for Christ's Gospel, crossing new boundaries and becoming its witness in proclamation and in dialogue, a prophet of a Church turned outwards, looking to those far away and taking care of the poor. Even in the midst of tiredness and misunderstanding, Paul VI bore witness in a passionate

way to the beauty and
the joy of following Christ
totally."

Pope Francis calls
Paul VI's 1975 apostolic
exhortation on
evangelization, *Evangelii
Nuntiandi* (Evangelization
in the Modern World) "the
greatest pastoral document
written to date."

Joy of Sharing

In his 1975 apostolic
exhortation *Gaudete in
Domino* (Rejoice in the
Lord), Pope Paul VI says,
"No one is excluded from
the joy brought by the Lord.
The great joy announced
by the angel on Christmas
night is truly for all the
people."

Spiritual Joy

The inspiration for this year's
campaign came from that
exhortation!

"For joy comes from
another source," the
pope writes. "It is spiritual.
Money, comfort, hygiene
and material security are
often not lacking; and yet
boredom, depression and
sadness unhappily remain
the lot of many."

Please prayerfully
consider a 2019 leadership
gift to the 2019 Partners
in Charity Appeal. Your
generous support of
this diocesan appeal
impacts the lives of tens of
thousands of people - far
beyond what any one
parish community could
accomplish alone.

Seminarian Education

African Ministry

Catholic Schools

Every day throughout our diocese, faith-filled
individuals go out into the community and share
Good News in a variety of ways. Some minister
to those who are at risk of being homeless, others
to those who are struggling with a variety of life's
burdens. There are teachers who nourish the minds
and nurture the faith of our youth in schools and
parish formation programs. There are men pursuing
vocations to the priesthood in service to the Lord
and his people, who, with God's grace and with
your continued prayers, will one day serve parishes
throughout the diocese. And there are those who
help our retired priests live out their lives in dignity.
These are just a few of the works of mercy which are
funded through your generous donation.

We urge you to visit partners-charity.net to learn
more about the 28 charitable, educational and
pastoral ministries which your pledge or gift supports.
Among them are Catholic Charities and the
African Ministry which offer a welcoming, safe and
supportive environment to those in need.

As we, with our support of Partners in Charity,
work to meet the physical needs of those we serve,
let us not forget the spiritual; for, as Pope Paul VI
reminds us, that is the way to generate lasting joy.
