MISSION STATEMENT

St. Mary Queen of Creation is a dynamic Christian Community of diverse ages, backgrounds and gifts. We are a branch on the vine that is rooted in the Gospel and nourished by the tradition of the Catholic faith.

Our mission is to be Christ for each other.

We manifest this life-giving action of Jesus by responding to the various needs of all people. These efforts enhance the continual transformation of ourselves, our community and the world into the Kingdom of God.

PURPOSE AND FUNCTION

The purpose of the Pastoral Council is to assist in realizing the mission of our Parish and to advance our Spiritual growth.

SCOPE OF THE PASTORAL COUNCIL

Our primary role is that of a consultative body, making recommendations to the Pastor about the faith-life of our Parish and the pastoral ministry. As the primary structure within the Parish, the Pastoral Council coordinates and unifies the activity of the commissions and organizations of the Parish.

In conjunction with the Archdiocesan mission statement, vision and pastoral plan, the Parish Pastoral Council formulates a parish mission statement, assists in the discernment of a vision for the parish, and develops a pastoral plan through goals, objectives and action steps for the immediate and near future, based on the identification and discernment of parish needs.

The Secretary will record the minutes at all meetings. A copy of the minutes shall be forwarded to the Parish Secretary seven to ten days prior to the next Pastoral Council meeting.

**RELATIONSHIP OF PASTOR TO COUNCIL**

The Pastor collaborates with the Parish Pastoral Council in reaching decisions. It is fundamentally his responsibility to give final approval to the Pastoral Council recommendations regarding plans and polices for the Parish. It is also his responsibility to oversee their implementation by the Pastoral Staff and other Parish groups. The primary role of the Pastoral Council is as advisor to the Pastor.

In those rare instances when a recommendation of the members of the Council would be contrary to Catholic teaching or universal or particular law, the Pastor must withhold final ratification of a recommendation which is contrary to the stated policy of the Roman Catholic Archdiocese of Detroit.

Whenever the Pastor withholds ratification of a recommendation on matters referred to above or on issues considered by the Pastoral Council to be of significant importance to the Parish, he must present his reasons to the council for doing so. The Council, then, should reconsider all aspects of the issue. If the situation cannot be resolved in this way, the Council, after reaching a consensus, may request the Vicar to mediate. If the Pastor is the Vicar, the request is directed to the Auxiliary Bishop of the Region.

At the transfer, resignation, incapacity, removal, or death of the Pastor, the Pastoral Council acts as a consultative body to the Parochial Administrator when the Pastorate is vacant. However, no policy changes should be made until after the appointment of a new Pastor.

**MEETINGS**

The regular meetings of the Pastoral Council will be held at the St. Mary Parish Center or at any place convenient to the Council members and designated by the Pastor or the Council Chairperson.

The regular meetings of the Parish Pastoral Council will be held on the first Monday of each month from August through June, unless otherwise designated by the Pastor or Chairperson. For example: if the first Monday of the Month is a legal holiday, the meeting will be transferred to the next day. The meeting will begin at 7:00 PM and will last for no longer than two hours.
Special meetings of the Council, or Executive Council meetings may be called by the Pastor or the Chairperson or on written request of a least one half of the Council. The Executive Council consists of the Chairperson, Vice-Chairperson, Secretary and Pastor.

All parishioners are welcome to attend the regular or special meetings of the Council. However, Executive Council meetings are not open to the parish. Notice of regular meetings will be published in the parish bulletin on the prior Sunday.

A simple majority of the members (50% plus one) will constitute a quorum for the transaction of business. Consensus of those present is the ordinary and expected norm for decision making on the Pastoral Council.

The format of the regular Council meetings will be as follows:

1. Welcome, attendance and opening prayer
2. Ongoing education and formation
3. Minutes and Commission Reports (Questions/Corrections)
4. Issues for discernment/consensus (Old Business)
5. Issues for dialogue, sharing, reaction, proposing (New Business)
6. Report of the Pastor/Associate Pastor/Staff Person
7. Quarterly review of parish goals, objectives and/or action steps
8. Evaluation of the Meeting
9. Schedule next meeting and assignments (opening prayer, continuing formation, closing prayer, refreshments/fellowship)
10. Closing prayer and fellowship

Provisions for prayer, study and reflection will be a part of all Council meetings.

Any person who wishes to be scheduled on the agenda of the regular Council meeting must contact the Council Chairperson 14 days prior to the regular meeting and indicate the nature of the proposal. The Chairperson, with the approval of the Pastor, will schedule the matter on the agenda, inform all other Council members via the Agenda, and will then notify the person of the date and time of the meeting.

PASTORAL COUNCIL COMMISSIONS

As it participates in the mission of Jesus, the parish accomplishes its work in an
organized and systematic way through effective, working Commissions. These are: Religious Education, Christian Service, Worship, Stewardship and Evangelization. The purpose of each Commission is to assess needs, develop objectives and implement programs through committee work.

Every effort should be made for effective two-way communication between the Pastoral Council and its Commissions; among the Commissions themselves; between the Commissions and their respective committees.

The Commissions are equal partners. No one Commission has greater importance than another Commission. The individual Commissions are not intended to function independently nor in a state of isolation from one another. Instead, they relate to each other on a regular basis through the Pastoral Council. They also relate through the coordinating work of the pastoral staff. Commissions should communicate directly and collaborate on common projects.

Parish Staff are to be seen as resource people for the Commissions. Commission meeting agendas will follow the format proposed by the Archdiocesan model which includes provisions for prayer, study and reflection. Every effort should be made to have at least one representative on the appropriate Vicariate Pastoral Council Commission. Efforts should be made to increase the membership of the Commissions, thus providing future members on the Parish Pastoral Council. According to Archdiocesan guidelines, Commissions should feed the Council with members. The Commission Chair should not be the representative to the Council. Ad-hoc Committees may be created as needed.
