

Birthday Celebration

On the day assigned to celebrate your child's birthday your child will be able to bring in some special items from home (i.e. favorite toy, special stuffed animal, baby item, etc) and a homemade poster to show to the class (show-n-tell style). A week or so prior to your child's assigned day, you will get a reminder paper that will have all necessary information and a paper to make your poster.

If you choose you may send a small party favor for your child to share with the class. Due to allergies we ask that your child does not bring any food items into the classroom. We have 16 children in each class this year. A fun alternative option to small trinkets is to donate your child's favorite book to the class - we will read it and label it from your child.

Please know that bringing something to share with the class is optional.

Let me know if you have any questions.
