# What we are up to at SACRED HEART PRESCHOOL

## Love and Our Five Senses (February 2018)

February was a quick month at preschool! I guess time flies as we are all having fun.

We completed conferences this month—we do not have another conference this year but if you have any questions or concerns, you may contact me at any time.

We worked on the diagonal letters this month: M, N, and V. We also worked on making diagonal shapes—triangle and hearts.

We started Feb talking about love and our families. We graphed how many people were in our family, we brainstormed ways to show love to others, and we had lots and lots of time making valentines for friends and family.

As the month progressed we have started our five senses theme. This will last 4 weeks, and will go up till spring break.

So far we have focused on how our body's use our senses to know what is happening in the world around us.

Our eyes see what is happening.

Our ears can tell us what is happening p i.e. the beeping on a truck means to watch out.

Our noses smell the world and can tell us if something is safe or not. I.e. Skunk smell tells us to stay away.

Our tongues taste food and then decides to push it into our bodies or out if it is yucky. All tongues are different and what they like to taste is different.

Lastly, we will talk about touch—soft, hard, hot, cold, etc. We will also talk about how touch tells us what to do. Stay close, move back, stay away, etc.

---

### Coming Up:

- ☺ Spring break
- ☺ Easter Party
- ☺

---

### IMPORTANT DATES

NO SCHOOL— spring break	March 9- 16
Easter Parties	March 28 and 29
NO SCHOOL	April 2
