**FROM THE PASTOR'S
DESK**

Dear family,

For some, it might seem strange that we celebrate the Christmas season for so long. Under the old calendar from before Vatican Council II, the Christmas season used to extend all the way until the Feast of the Presentation of the Lord!

But why do this, why celebrate so long? Is it that we are lazy taking down decorations? No, it is this way because the miracle of Christmas is something so amazing and inspiring that it could not be possible be contained to one day of celebration. Christmas is, if you will, a profound moment that in all its glory s like a diamond with many facets. That is to say, during this season we do not celebrate different events but the same one which because of its gravity has many implications and aspects. Today we celebrate the Epiphany or the implications of Christ's birth for the world. The wise men we hear about and sign of were not wandering travelers that stumbled upon the miracle of Jesus' birth, but learned men from different cultures and backgrounds who, searching earnestly for truth, discerned the presence of God as sought Him out. It's beautiful to see that He can be reached by anyone when we seek Him with humble hearts. Let us be humble so as to find Jesus in our midst.

In His joy,

Reverend Father Daniel J. Gutierrez
