William Shakespeare's Long Lost First Play (abridged)

Brought to you by the same guys who starred in the PBS film version of The Complete Works of William Shakespeare (abridged), this highly-imaginative, vaudeville-infused comedy tells the not-quite factual (well, not at all factual) story of an ancient manuscript purported to be the first play by William Shakespeare. Using questionable scholarship and street-performer smarts, a trio of comic actors will throw themselves into a fast, funny, and frezied festival of pure hilarity.

Treasure Island

Adapted by Mary Zimmerman

From the Novel by Robert Louis Stevenson

This epic tale with music will thrill the entire family with tales of buried treasure, cut-throat pirates, the larger-than-life Long John Silver, and the courageous young cabin boy Jim Hawkins. The Festival is the first theatre after a joint premiere at Looking-glass Theatre in Chicago and Berkeley Rep in Berkeley, California, to produce this critically-acclaimed adaptation, filled with adventure and song.
