

God has prepared each one of us in a unique way to share in his glory. You have been gifted with special qualities that make you who you are. The best of these gifts are called *charisms* -- and they are the primary means Christ reveals himself through you.

Do we all receive charisms? If you have been baptized, yes. The Holy Spirit gives us what we need to live out our own personal mission. Just as our life situations and vocations differ, so too do the charisms we each receive.

At the **Joyfully Gifted** retreat on October 12 we will **prayerfully discern the gifts** bestowed by the Holy Spirit. We will reflect on our experiences, ask ourselves key questions, and seek out the patterns in our life we may have previously missed.

St. Mary is sponsoring this very special one-day experience. It features a top-notch presenter, breakfast and lunch, and *you*. **There is no cost to attend**. To reserve a place contact John Mastandrea at jmastandrea@stmarybera.org before September 30. Say yes to this wonderful day... and yes to discovering the gifts God has given you.
