Spiritual Excerpt

Therefore you hear that as often as sacrifice is offered, the Lord's death, the Lord's resurrection, the Lord's ascension and the remission of sins is signified, and will you not take the Bread of Life daily? He who has a wound needs medicine. The wound is that we are under sin; the medicine is the heavenly and venerable Sacrament.

St. Ambrose, On the Sacraments, 5,4,25.

Palm Collection

There is a basket in the atrium to collect old palm.

ARE YOU NEW TO THE AREA?

If you are, why not join our ever-growing Parish family. Stop by the Rectory any weekday and meet Maria and register to become a member of the OLV Family. Census forms are also located in the Church vestibule.

QUESTION?

In golf, where did the term 'Caddie' come from? When Mary Queen of Scots went to France as a young girl, Louis, King of France, learned that she loved the Scots game "golf". So he had the first course outside of Scotland built for her enjoyment. To make sure she was properly chaperoned (and guarded) while she played, Louis hired cadets from a military school to accompany her. Mary liked this a lot and when returned to Scotland, she took the practice with her. In French, the word cadet is pronounced "ca-day" and the Scots changed it into "caddie".

SAVE USED EYEGLASSES

The Knights of Columbus collects used and old eyeglasses for the less fortunate. Any old or "retired" glasses may be left in the basket in the back of Church.

SUN/SUN TAN

During the summer we often go down the shore to "work" on our tans. We may spend an hour in the sun and get "burned" by the sun. Imagine how much good spending an hour before the Son of God will do us. Why don't you stop by the Church on Thursday evenings at 7PM.

MARY GARDENS

Christians of the early Church frequently used floral symbolism to honor the Blessed Mother. The Church Fathers, for example, took passages from the Scriptural passages from The Song of Songs to liken Our Lady to the rose of Sharon and the lily of the valley. By the Middle Ages, nearly 700 flowers and herbs had come to be associated with the Blessed Virgin. Some were associated through tradition, such as the rose of Sharon and the lily of the valley. Some were associated through legend. Our Lady's bedstraw is an herb said to have been placed by Mary in the manger. Columbine was called Our Lady's slipper because it was said to have grown where Mary's feet touched the earth. Here is a list of some common annuals and perennials named after or dedicated to Our Lady:

Annuals	Perennials
Sweet alyssum—Mary's flower	Morning Glory—Our Lady's mantle
Marigold—Mary's gold	English daisy—Mary's rose
Petunia—Our Lady's praise	Snowdrop—Our Lady's tears
Sweet pea—Our Lady's smile	Lily of the Valley—Our Lady's tears
Cornflower—Our Lady's crown	Daffodil—Mary's star
Pansy—Our Lady's delight	Bleeding heart—Mary's heart
Forget-me-not—Eyes of Mary	Iris—Our Lady's sword

THE BASICS ABOUT ALL CHURCH MINISTRY

Jesus Christ our High Priest is the source of every Church ministry, for He is the one and only Priest. He 'adorns' each baptized Christian with a share IN His Priesthood; so all ministers: social, liturgical, catechetical, administrative, etc., are vehicles through whom Christ now functions in the world. From among the baptized Christ, "with a brother's love," calls some men to particular roles as teachers, leaders and officiants - not for their own glory - but to serve God's People.

PRAYER FOR THOSE IN THE MILITARY

O Prince of peace, we humbly ask your protection for all our men and women in military service. Give them unflinching courage to defend with honor, dignity and devotion, the rights of all who are imperiled by injustice and evil. Be their rock, their shield, and their stronghold and let them draw their strength from you. For you are God, for ever and ever.

STEWARDSHIP

MY FAMILY – MY PARISH – MY RESPONSIBILITY

As your expenses increase, so do the Church's, but we rely on your generosity to meet our expenses. Please be generous.

NO APPOINTMENT NEEDED

Stop in and visit Jesus in the Tabernacle. You can do it here at OLV Parish. Church is open 7am-4:30pm (M-F).

CLOTHING BINS

Through the turbulence of your many demands, would you be willing to take a few minutes to gather your unwanted clothing and shoes to help Catholic Charities? Please drop them in the Catholic Charities donation bin located on the Church grounds. Your donations help Catholic Charities and Mt. Carmel Guild. Thank you.

HOW SHOULD WE DRESS??

People generally have no real problem wearing proper clothing when entering places that demand such attire. Would you ever consider attending a formal dinner or a wedding dressed in a tee-shirt and shorts, or a tank top and swimming trunks? Why be rebellious in God's house?

Saint Jude & Saint Anthony

Did you know that every Wednesday after the 8:00AM Mass we have a novena to St. Jude and St. Anthony. We also pray the Rosary DAILY after the completion of the 8:00AM weekday Mass.

FRIDAY ADORATION

Just a reminder we have Exposition and Adoration of the Blessed Sacrament on Fridays after Noon Mass – 3:00PM. So stop by and adore our Eucharistic Lord.

The Swiss Guard and the "Combat Rosary"

9 May 2016

Fr. Heilman sent the gun-metal rosaries to all of the Swiss Guards. Today, during his address to the new recruits about to be sworn in, the Commandant held up one of them during his address and told them that training and arms are necessary, but "the most important weapon is the 'combat rosary'". In the right moment, at the beginning of the year will a generous donor surprised us with a gift. He had shipped to the Pontifical Swiss Guard the most powerful weapon that exists in the market: the "Combat Rosary".... They were immediately given to all the guards. It is important that we recover the way of prayer, especially the prayer of the Rosary. Our life, our works and our actions are in the hands of God. This doesn't mean, however, that we can give up arms and drills. God uses us as instruments to thwart evil in certain situations. For this we need a firm faith, trust in God and prayer.

During a morning Mass in the chapel of his residence, Pope Francis said, "faith is victory". Last year in an audience granted on the occasion of the swearing of the new guards, the Holy Father invited the young men to dedicate themselves evermore to prayer even during their duty time. There is always time for this. I assure you that this invitation is being followed. And we will help them to pray to God from our hearts and entreat the Blessed Virgin Mary, especially in this month dedicated to her, that they keep far from us every evil.

Whenever I fill out an application, in the part that says, "In case of emergency, notify:" I put "DOCTOR."

QUESTION?

Who is Fr Innocent Montgomery, C.F.R.? The day after surgery for a recurring back injury from playing sports, Father Innocent Montgomery, C.F.R., awoke with no feeling from his waist down. Although he was scheduled to walk home that day, the first Friday of Lent seven years ago, his doctor cautioned he might not be able to walk again. "It saved my vocation," Father Montgomery said. Coming from a close-knit and success-driven family, he had some doubts before surgery. "I didn't believe I had what it took to be a friar." Lying in the hospital bed, he was alone—"no habit, I'm out of the friary, no chapel, the brothers aren't around, they call you by your baptismal name. The whole (religious) life was just stripped from me." "I can't prove myself now. I'm paralyzed. I can't be a 'super friar.'"

"The Lord brings me to this place of utter poverty, and it was there that, for the first time in my life, I experienced the Lord communicating to my heart that I was dearly loved by Him. I'm loved by Him and that's all that matters. It doesn't matter if you're the best preacher or if you have the longest beard," Father Montgomery said. "I could just be his son. The Lord said, 'I don't love you because you're a friar. I love you because you're my son.'"

He remained in the hospital for a month. And within eight months he learned to walk again, "like a baby," he said. "Step by step, that's an analogy for life." There were at least 10 diocesan priests, all in their 30s, who happily taught at his high school, St. Pius X, in Lincoln, Neb. "These guys would be on the sidelines at our football games." After a retreat sophomore year, "I could see myself being like them."

And he felt drawn to pray more. "There was this moment where I knew" it was something to pursue, which he did, at the nearby college seminary, St. Gregory the Great in Seward, Neb. His second year there, he and his identical twin (Brother Angelus Montgomery, C.F.R.) came to New York to assist at a children's summer camp run by the Missionaries of Charity at St. Rita's in the Bronx. The Franciscan Friars of the Renewal were also there. "It was a really beautiful thing, because I had never met a religious in my life. They were so incredibly joyful and they just loved Jesus so much. Something stirred in my heart."

He entered the Franciscan Friars of the Renewal in 2007 and made final vows in 2012. He has served homeless men and those with addictions at St. Anthony Shelter for Renewal, the Bronx, since 2010. Born a triplet in Wichita, Kan., Scott Montgomery grew up in Lincoln, Neb. The triplets—Katie, Scott and Russell (Brother Angelus), 31, have an older brother, Bob, 34. Their parents are Richard and Luanne Montgomery. Father Montgomery celebrated his First Mass Monday, May 30, at 2 p.m. at Our Lady of Victory Church in Harrington Park, N.J. Father James Atkins, C.F.R., delivered the homily.

Don't miss Fr. Innocent and Br. Angelus on EWTN Live! Wednesday, June 15th at 8:00PM followed by the premiere of ICONS Spotlight at 9:30PM. (Cable Channel 67/Verizon Channel 285)

TREASURES FROM OUR TRADITION

We return to using the green vestments of Ordinary Time on Sundays. Changing colors gives a sense of the progress of faith through the seasons of life. For centuries, the number of colors and the reasons underlying them were left to local custom. Over time, we settled on six colors to express the character of a day or season: white, red, green, violet, black, and rose. Black is seldom seen these days, replaced by white or violet. Rose, really a dusty pink shade, appears at most twice a year. What does the color green suggest to you? Green is new growth, olives, evergreens, glistening emeralds, ripening pears, and fields at high summer. It suggests renewal, healing, fertility, peace, and harmony. In medieval Europe, green was the favorite color for brides! Did you know that drivers of green cars are the least likely to be stopped for speeding? Is it because of their own feelings of harmony and well being, or because law enforcement officers are filled with serenity when they see a green car whiz by? Take out a paint chart today and marvel at the many hues and names of green. The Church figured it out centuries ago: color really matters.

“The Magic Bank Account”

Imagine that you had won the following *PRIZE* in a contest: Each morning your bank would deposit \$86,400 in your private account for your use. However, this prize has rules:

The set of rules:

1. Everything that you didn't spend during each day would be taken away from you.
2. You may not simply transfer money into some other account.
3. You may only spend it.
4. Each morning upon awakening, the bank opens your account with another \$86,400 for that day.
5. The bank can end the game without warning; at any time it can say, "Game Over!" It can close the account and you will not receive a new one.

What would you personally do?

You would buy anything and everything you wanted right?

Not only for yourself, but for all the people you love and care for. Even for people you don't know, because you couldn't possibly spend it all on yourself, right?

You would try to spend every penny, and use it all, because you knew it would be replenished in the morning, right?

ACTUALLY, This GAME is REAL ... Shocked ??? YES!

Each of us is already a winner of this *PRIZE*.

We just can't seem to see it. The PRIZE is *TIME*!!

1. Each morning we awaken to receive 86,400 seconds as a gift of life.
2. And when we go to sleep at night, any remaining time is Not credited to us.
3. What we haven't used up that day is forever lost.
4. Yesterday is forever gone.
5. Each morning the account is refilled, but the bank can dissolve your account at any time WITHOUT WARNING... SO, what will YOU do with your 86,400 seconds?

I have seen something like this before but this time I enjoyed it a little more. It really makes you "think," doesn't it? Those seconds are worth so much more than the same amount in dollars. Think about it and remember to enjoy every second of your life, because time races by so much quicker than you think.

Quotes from the Mind of Albert Einstein

Albert Einstein's name has become synonymous with intelligence. But although we mostly know him for his contribution to the sciences of Physics and Mathematics, he was known to those of his generation as a great thinker in many other fields. Much of what he wrote and said has become proverb today, and there was always much wisdom, beauty and love of peace in his words. I would like to share some of them with you.

- Our task must be to free ourselves by widening our circle of compassion to embrace all living creatures and the whole of nature and its beauty. **Albert Einstein**
- The ideals which have lighted my way, and time after time have given me new courage to face life cheerfully, have been Kindness, Beauty and Truth. **Albert Einstein**
- If you can't explain it simply, you don't understand it well enough. **Albert Einstein**
- Before God we are all equally wise – and equally foolish. **Albert Einstein**
- If you want to live a happy life, tie it to a goal, not to people or objects. **Albert Einstein**
- Few are those who see with their own eyes and feel with their own hearts. **Albert Einstein**
- Setting an example is not the main means of influencing another. IT IS THE ONLY MEANS. **Albert Einstein**
- It has become appallingly obvious that our technology has exceeded our humanity. **Albert Einstein**
- The world is a dangerous place, not because of those who do evil, but because of those who look on and do nothing. **Albert Einstein**
- Life is like riding a bicycle. To keep your balance, you have to keep moving. **Albert Einstein**
- The one who follows the crowd will usually go no further than the crowd. The one who walks alone is likely to find himself in places no one has ever been before. **Albert Einstein**
- The important thing is not to stop questioning. CURIOSITY has its own reason for existing. **Albert Einstein**
- Many of the things you can count DON'T COUNT. Many of the things you can't count, REALLY COUNT. **Albert Einstein**

HEAR ME, LORD

On behalf of all those who are dear to me, all whom I have in mind at this moment, be near them in all their anxieties and worries. Give them the help of your saving grace. I commend them all with trustful confidence to your merciful love. Remember, Lord, all who are mindful of me, all who have asked me to pray for them, all who have been kind to me, all who have wronged me, or whom I have wronged by ill-will or misunderstanding. Give all of us grace to bear with each other's faults and to share each other's burdens. Have mercy also on the souls of my loved ones who have gone before me. Grant them peace and happiness with You. Amen.
