

Please follow the arrows around the parking lot. We will load 6 cars at a time. Cones will be placed to designate loading areas. Once 6 cars are loaded, they will be released and the next 6 will be loaded. Students will be grouped by grades; however, oldest siblings will wait with their younger siblings. Please be mindful of the no parking and no entry areas. For the safety of the students, please do not walk up and remove students from car line.

PLEASE BE SURE THAT YOUR CARLINE SIGN IS VISIBLE TO FACULTY AND STAFF
