Our Lady of Lourdes - St. Patrick's Prayer & Meditation Garden

Building a Legacy One Brick at a Time

Sean Hamilton, Eagle Scout Candidate is designing and building a prayer and meditation garden for the members of the Parish and School to use. The garden will be in the shape of a Celtic Cross outlined with plants and flowers and a pathway lined with bricks. There will be benches and a statue of St. Patrick. The garden will be used for outdoor classes by the students and also a

gathering place for families to take pictures after the celebration of Sacraments. It will also be a quiet place for people to gather in prayer or meditation. Please consider the purchase of a brick to remember a loved one, celebrate your OLL legacy and support the school.

How to Order:

Just follow the simple step-by-step process below to place your order. Be sure you are happy with your brick design as it will look very similar to the image on your computer when completed.
